FCC Behavioral Health DBH Funded Regional Support Center Substance Abuse Prevention Program & Charleston C2000 Coalition Presents:

6th Annual Substance Abuse Prevention Conference

June 28, 2016 8:30-12pm

Bowden Center, Charleston MO

Training Agenda

8:30-9:00	Registration and Networking
9:00-10:00	Fact vs Fiction; Marijuana basics and beyond -S.P.I.R.I.T. Prevention Educator Jeremy Hanlin
10:05-11:00	RX Drugs and Opioids: Avoiding the Epidemic -Prevention Specialist, Iris Duley
11:15-12:00	Missouri's Picture of Legislative Health -State Representative Tila Hubrecht District 151

Who Should Attend: This training will benefit professionals, social service providers, law enforcement, parents, grandparents, business owners and community members! Topics will include the true impact of today's marijuana, prescription drug misuse and the heroin epidemic, and what you can do today about RX drug misuse. We will also hear from State Representative Tila Hubrecht about the legislative truths beyond the hype of marijuana and RX advocates.

Certificates of completion with contact hours will be given to all participants.

Cost of Training: $10.00 Pay at the Door Only

Agency Booth Space Available: Free with registration.
