1. Revised Terms and Conditions

NOTE 1 Administrative Correction: The purpose of this amended Notice of Award is to modify the final submission date for Nonfatal data published in the Notice of Funding Opportunity (NOFO), Enhanced State Surveillance of Opioid-Involved Morbidity and Mortality, on page 11 of the Quarterly Report table from August 31, 2019 to July 15, 2019. This new deadline, July 15th, should cover overdoses from January 1, 2019 to March 31, 2019. We are no longer requiring overdoses from April to May of 2019.

The final data submission date for ESOOS fatal data will remain as August 31st, though we strongly encourage those states that can turn in fatal data by August 1st, 2019 to do so to allow for sufficient quality control checks and edits to ensure you have access to data that are free from errors.

NOTE 2: Please be advised that the recipient must exercise proper stewardship over Federal funds by ensuring that all costs charged to their cooperative agreement are allowable, allocable, necessary and reasonable.

NOTE 3: All other terms and conditions issued with the original award remain in effect throughout the budget period unless otherwise changed, in writing, by the Grants Management Officer.

PLEASE REFERENCE THE NOFO AND AWARD NUMBER ON ALL CORRESPONDENCE
