HOW WE DELIVER SERVICES

Funding requests are supportive of the strategic goals that are most impactful to the Citizens of Missouri.

Total DHSS Funding \$2.8 billion

General Revenue \$534 million

The FY24 DHSS Governor’s Recommended budget for DHSS is \$2.8 billion. The majority of funding comes from federal resources with the largest amount of general revenue for Medicaid Home and Community Based Services. Much of the remaining GR is required for match on the federal funds.

Board of Health and Senior Services (RSMo. Section 192.014)

For the first time in many years, the Board of Health and Senior Services began operating again in November 2022. State law stipulates the Board advise DHSS on rules & regulations, budget, and planning & operation. The board is comprised of nine members that are Governor appointed and Senate confirmed.

Local Public Health Agencies

DHSS contracts with 115 LPHAs to improve public health.

Missouri’s Foundational Public Health Services

Missouri’s FPHS model describes a minimum set of measurable capabilities under each area of expertise that are truly essential in every Missouri community. Areas of expertise include disease and injury prevention, environmental health, linkage to care, and maternal, child and family health.

Area Agencies on Aging

DHSS contracts with 10 AAAs to improve the lives of older adults.
