1. Terms and conditions

AWARD INFORMATION

Incorporation: In addition to the federal laws, regulations, policies, and CDC General Terms and Conditions for Non-research awards at <https://www.cdc.gov/grants/federalregulationspolicies/index.html>, the Centers for Disease Control and Prevention (CDC) hereby incorporates Notice of Funding Opportunity (NOFO) number **CE21-2105**, entitled **Collecting Violent Death Information Using the National Violent Death Reporting System (NVDRS)**, and application dated **May 3, 2021** as may be amended, which are hereby made a part of this Non-research award, hereinafter referred to as the Notice of Award (NOA).

Approved Funding: Funding in the amount of **\$369,064** is approved for the budget/project period, which is **September 1, 2021** through **August 31, 2022**.

The federal award amount is subject to adjustment based on total allowable costs incurred and/or the value of any third party in-kind contribution when applicable.

Note: Refer to the Payment Information section for Payment Management System (PMS) subaccount information.

Budget Revision Requirement: By **September 31, 2021** you must submit a revised budget with a narrative justification. Failure to submit the required information in a timely manner may adversely affect the future funding of this project. If the information cannot be provided by the due date, you are required to contact the GMS/GMO identified in the CDC Staff Contacts section of this notice before the due date.

- Contractual- Provide six elements listed in the Budget Preparation Guidance via grant note

Financial Assistance Mechanism: Cooperative Agreement

Substantial Involvement by CDC: This is a cooperative agreement and CDC will have substantial programmatic involvement after the award is made. Substantial involvement is in addition to all post-award monitoring, technical assistance, and performance reviews undertaken in the normal course of stewardship of federal funds.

CDC program staff will assist, coordinate, or participate in carrying out effort under the award, and recipients agree to the responsibilities therein, as detailed in the NOFO.

CDC will have substantial involvement with recipients. CDC activities to ensure the success of the project will include the following:

- Provide a case definition as well as documentation and descriptions of how to collect required data elements
- Provide a web-based system to enter data, to export data to the applicant, and to share data with CDC. The web-based data entry system will also support data quality by providing data summaries and implementing data entry rules, including restricting data entry to valid values
- Provide training on how to use the web-based data entry system

- Provide recipient results from CDC monitoring and evaluation activities including updates on key performance measures, CDC data quality reports, CDC case reviews, and observations from CDC site and reverse site visits when resources are available.
- Work with applicants to solve challenges identified in evaluation and monitoring activities such as problems of missing or inaccurate data.
- Provide technical assistance in solving problems in all aspects of the system through monthly conference calls, discussions with science and project officers, maintaining help desk for abstraction questions and questions about the web-based data entry system, and periodic applicant site or reverse site visits as resources are available.

FUNDING RESTRICTIONS AND LIMITATIONS

Notice of Funding Opportunity (NOFO) Restrictions: Restrictions that must be considered while planning the programs and writing the budget are:

- Recipients may not use funds for research.
- Recipients may not use funds for clinical care except as allowed by law.
- Recipients may use funds only for reasonable program purposes, including personnel, travel, supplies, and services.
- Generally, recipients may not use funds to purchase furniture or equipment. Any such proposed spending must be clearly identified in the budget.
- Reimbursement of pre-award costs generally is not allowed, unless the CDC provides written approval to the recipient.
- Other than for normal and recognized executive-legislative relationships, no funds may be used for:
 - publicity or propaganda purposes, for the preparation, distribution, or use of any material designed to support or defeat the enactment of legislation before any legislative body
 - the salary or expenses of any grant or contract recipient, or agent acting for such recipient, related to any activity designed to influence the enactment of legislation, appropriations, regulation, administrative action, or Executive order proposed or pending before any legislative body
- See Additional Requirement (AR) 12 for detailed guidance on this prohibition and additional guidance on lobbying for CDC recipients
- The direct and primary recipient in a cooperative agreement program must perform a substantial role in carrying out project outcomes and not merely serve as a conduit for an award to another party or provider who is ineligible
- In accordance with the United States Protecting Life in Global Health Assistance policy, all non-governmental organization (NGO) applicants acknowledge that foreign NGOs that receive funds provided through this award, either as a prime recipient or subrecipient, are strictly prohibited, regardless of the source of funds, from performing abortions as a method of family planning or engaging in any activity that promotes abortion as a method of family planning, or to provide financial support to any other foreign non-governmental organization that conducts such activities. See Additional Requirement (AR) 35 for applicability (<https://www.cdc.gov/grants/additionalrequirements/ar-35.html>).
- Recipients are restricted from using these funds to support violence prevention programs and initiatives and the development of interventions that are aimed at preventing violence. See Subpart E Cost Principles of the 2 CFR 200 for other costs.

Indirect Costs: Indirect costs are approved based on the negotiated indirect cost rate

agreement dated March 30, 2021, which calculates indirect costs as follows, a Provisional is approved at a rate of 19% of the base, which includes, direct salaries and wages including all fringe benefits. The effective dates of this indirect cost rate are from July 1, 2021 to June 30, 2022.

REPORTING REQUIREMENTS

Performance Progress and Monitoring: Performance information collection initiated under this grant/cooperative agreement has been approved by the Office of Management and Budget under **OMB Number 0920-0607, "Performance Progress and Monitoring Report."**The components of the PPMR are available for download at: <https://www.cdc.gov/grants/already-have-grant/index.html>
