1. Terms and Conditions

ADDITIONAL TERMS AND CONDITIONS

Incorporation: In addition to the federal laws, regulations, policies, and CDC General Terms and Conditions for Non-research awards at <https://www.cdc.gov/grants/federal-regulations-policies/index.html>, the Centers for Disease Control and Prevention (CDC) hereby incorporates Notice of Funding Opportunity (NOFO) number TS-23-0001, entitled **ATSDR's Partnership to Promote Local Efforts To Reduce Environmental Exposure**, and application dated December 7, 2022, as may be amended, which are hereby made a part of this Non-research award, hereinafter referred to as the Notice of Award (NoA).

Approved Funding: Funding in the amount of **\$584,355.00** is approved for the Year 1 budget period, which is April 1, 2023 through March 31, 2024. All future year funding will be based on satisfactory programmatic progress and the availability of funds.

The federal award amount is subject to adjustment based on total allowable costs incurred and/or the value of any third-party in-kind contribution when applicable.

Note: Refer to the Payment Information section for Payment Management System (PMS) subaccount information.

Component/Project Funding: The NOFO provides for the funding of multiple components under this award. The approved component funding levels for this notice of award are:

NOFO Component	Amount
Component 1	\$ 399,355.00
Component 2	\$185,000.00

Available Funding:

Funding in the amount of \$584,355.00 in Financial Assistance (FA) is awarded on this NoA.

Financial Assistance Mechanism: Cooperative Agreement

Budget Revision Requirement: By May 1, 2023 the recipient must submit a revised budget with a narrative justification. Failure to submit the required information in a timely manner may adversely affect the future funding of this project. If the information cannot be provided by the due date, you are required to contact the GMS/GMO identified in the CDC Staff Contacts section of this notice before the due date. **Please use the Budget Preparation Guidance** <https://www.cdc.gov/grants/documents/budget-preparation-guidance.pdf>

- Recipient must submit a revised budget for revised funding total.
 - A budget narrative with itemization is required following the linked budget preparation guidelines.

Substantial Involvement by CDC: This is a cooperative agreement and CDC will have substantial programmatic involvement after the award is made. Substantial involvement is in addition to all post-award monitoring, technical assistance, and performance reviews undertaken in the normal course of stewardship of federal funds.

CDC program staff will assist, coordinate, or participate in carrying out effort under the award, and recipients agree to the responsibilities therein, as detailed in the NOFO.

CDC program staff will assist, coordinate, or participate in carrying out effort under the award, and recipients agree to the responsibilities therein, as detailed in the NOFO:

- The TPO will lead a Technical Project Team (TPT) for each recipient, which will include representatives from the ATSDR Office of Capacity Development and Applied Prevention Science (OCDAPS), and ATSDR's Office of Community Health and Hazard Assessment (OCHHA);
- The TPT is responsible for providing technical assistance to the recipient; arranging for subject matter expertise as needed, assuring the planning implementation, and program improvement of all public health actions for each site;
- The TPT is responsible for approving each recipient's work plan;
- The TPT is also responsible for working with the recipients to improve their ability to assess and respond to environmental public health issues through the application of current science and sound public health practices;
- The TPT will also review the environmental health assessment reports and community involvement and health education and promotion plans and materials for technical/scientific accuracy, comprehensiveness, clarity, and adherence to ATSDR policy;
- The TPT will monitor and evaluate the performance of recipients;
- ATSDR regional staff are available to provide support and coordination for recipients, particularly for sites with strong community interest, or where liaison with EPA is specifically needed;
- ATSDR will provide updated guidance on emerging contaminants and will maintain updated chemical-specific comparison values (CVs) based on the best available science;
- ATSDR will maintain and make available the Public Health Assessment Site Tool (PHAST), the ATSDR Shower Model, other tools, and information websites;
- ATSDR will also facilitate peer-to-peer information sharing through the maintenance of ATSDR's SharePoint site and Cooperative Agreement Listserv; and
- The TPO will facilitate the clearance of certified environmental health assessment reports (via the current NCEH/ATSDR Policy on Clearance of Information Products) as outlined under Strategy A2 in the 'Work Plan' section above.

Program Income: Any program income generated under this grant or cooperative agreement will be used in accordance with the Addition alternative.

Addition alternative: Under this alternative, program income is added to the funds committed to the project/program and is used to further eligible project/program objectives.

Note: The disposition of program income must have written prior approval from the GMO.

FUNDING RESTRICTIONS AND LIMITATIONS

Notice of Funding Opportunity (NOFO) Restrictions: Funding Restrictions – Recipients may not use funds to purchase furniture or equipment.

Indirect Costs Indirect costs are approved based on the negotiated indirect cost rate agreement dated 3/16/2022, which calculates indirect costs as follows, a FIXED rate is approved at a rate of 18.10% of the base, which includes, direct salaries and wages including all fringe benefits. The effective dates of this indirect cost rate are from 07/01/2023 to 06/30/2025.

REPORTING REQUIREMENTS

Performance Progress and Monitoring: Performance information collection initiated under this grant/cooperative agreement has been approved by the Office of Management and Budget under **OMB Number 0920-1132**, “Performance Progress and Monitoring Report”, Expiration Date 10/31/2022. The components of the PPMR are available for download at: <https://www.cdc.gov/grants/alreadyhavegrant/Reporting.html> .

Recipient Evaluation and Performance Measurement Plan (EPMP), including Data Management Plan (DMP): Recipient must elaborate on their initial applicant evaluation and performance measurement plan. This plan must be no more than twenty (20) pages; recipients must submit the plan 6-months into the award. HHS/CDC will review and approve the recipient’s monitoring and evaluation plan to ensure that it is appropriate for the activities to be undertaken as part of the agreement, for compliance with the monitoring and evaluation guidance established by HHS/CDC, or other guidance otherwise applicable to this Agreement.

The **EPMP** should provide additional detail on the following: Performance Measurement

- Performance measures and targets;
- The frequency that performance data are to be collected;
- How performance data will be reported;
- How quality of performance data will be reported;
- How performance measurement will yield findings to demonstrate progress towards achieving NOFO goals;
- Dissemination channels and audiences; and
- Other information requested as determined by the CDC program.

Evaluation

- How types of evaluations are to be conducted;
- The frequency that evaluations will be conducted;
- How evaluation reports will be published on a publicly available website;

- How evaluation findings will be used to ensure continuous quality and program improvement;
- How evaluation will yield findings to demonstrate the value of the NOFO; and
- Dissemination channels and audiences.

The **DMP** should provide additional detail on the following:

Applications involving data collection must include a Data Management Plan (DMP) as part of their evaluation and performance measurement plan. The DMP is the recipient's assurance of the quality of the public health data through the data's lifecycle and plans to deposit data in a repository to preserve and to make the data accessible in a timely manner. See web link for additional information:
