AWARD ATTACHMENTS

Missouri Department of Health

2001MOMIDR-00

1. FY 20 Terms

Standard Administrative Terms

1. This award is paid by DHHS Payment Management System (PMS). Please go to <https://pms.psc.gov/> for payment and reporting information.
 2. Initial expenditure of funds by the grantee constitutes acceptance of this award. Any future support is subject to the availability of funds and programmatic priorities.
 3. Matching Requirements - Grantees must provide the match listed in section 11n of the NOA in accordance with the program requirements and what was listed within the application submitted for this award.
 4. This award is subject to the requirements of the HHS Grants Policy Statement (HHS GPS) that are applicable to you based on your recipient type and the purpose of this award. This includes requirements in Parts I and II of the HHS GPS (available as a pdf at this link <https://www.hhs.gov/sites/default/files/grants/grants/policies-regulations/hhsgps107.pdf>).
 5. This award is subject to the requirements of Section 106 (g) of the Trafficking Victims Protection Act of 2000, as amended (22 U.S.C. 7104). For the full text of the award term, go to <https://acl.gov/grants/managing-grant>
 6. Although consistent with the HHS GPS, any applicable statutory or regulatory requirements, including 45 CFR Part 75, directly apply to this award apart from any coverage in the HHS GPS. Also, the general provisions from “**Consolidated Appropriations Act, 2020** (Public Law 116-94), signed into law on December 20, 2019,, apply to this award and can be found on the ACL Website: <https://acl.gov/grants/managing-grant>
- Salary Limitation:**
- The General Provisions in the **Consolidated Appropriations Act, 2020** (Public Law 116-94), signed into law on December 20, 2019, includes provisions for a salary rate limitation. The law limits the salary amount that may be awarded and charged to ACL grants and cooperative agreements. Award funds may not be used to pay the salary of an individual at a rate in excess of Executive Level II. The Executive Level II salary of the Federal Executive Pay scale is \$197,300. This amount reflects an individual’s base salary exclusive of fringe and any income that an individual may be permitted to earn outside of the duties to the applicant organization. This salary limitation also applies to subawards/subcontracts under an ACL grant or cooperative agreement. Note that these or other salary limitations will apply in FY 2020, as required by law.
7. Grantees are hereby given notice that the 48 CFR section 3.908, implementing section 828, entitled “Pilot Program for Enhancement of Contractor Whistleblower Protections,” of the National Defense Authorization Act (NDAA) for Fiscal Year (FY) 2013 (Pub. L. 112-239, enacted January 2, 2013), applies to this award. The effective date is for all grants and contracts issued on or after July 1, 2013, through January 1, 2017.
 8. All grantees are expected to recognize any same-sex marriage legally entered into in a U.S. jurisdiction that recognizes their marriage, including one of the 50 states, the District of Columbia, or a U.S. territory, or in a foreign country so long as that marriage would also be recognized by a U.S. jurisdiction. This applies regardless of whether or not the couple resides in a jurisdiction that recognizes same-sex

marriage. However, this does not apply to registered domestic partnerships, civil unions or similar formal relationships recognized under the law of the jurisdiction of celebration as something other than a marriage. Accordingly, recipients must review and revise, as needed, any policies and procedures which interpret or apply Federal statutory or regulatory references to such terms as “marriage,” “spouse,” family,” “household member” or similar references to familial relationships to reflect inclusion of same-sex spouse and marriages. Any similar familial terminology references in HHS statutes, regulations, or policy transmittals will be interpreted to include same-sex spouses and marriages legally entered into as described herein.

9. Federal Awardee Performance and Integrity Information System (FAPIS):

If the total value of your currently active grants, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then you as the recipient during that period of time must maintain the currency of information reported to the System for Award Management (SAM) that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIS)) about civil, criminal, or administrative proceedings described in paragraph 2 of this award term and condition. This is a statutory requirement under section 872 of Public Law 110-417, as amended (41 U.S.C. 2313). As required by section 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.

10. FFATA and FSRS Reporting -The Federal Financial Accountability and Transparency Act (FFATA) requires data entry at the FFATA Subaward Reporting System located at <http://www.FSRS.gov> for all sub-awards and sub-contracts issued for \$25,000 or more as well as addressing executive compensation for both grantee and sub-award organizations. Additional guidance is located at: http://www.acl.gov/Funding_Opportunities/Grantee_Info/FFATA.aspx

11. Grants Management Module - ACL discretionary grantees are required to use the Grants Management Module (GMM) for their end to end grants management services (tracking and receiving various award actions, submitting financial and progress reports, general correspondence, requests etc.). The grantee authorizing official identified in box 10a., and grantee project director identified in box 9b., must ensure they are registered with GMM and have the appropriate role assigned to them by their organization. Please follow the GMM grantee account registration information located at the following URL: <https://www.grantsolutions.gov/support/registration.html>. If you are unable to register or have questions associated with registration, contact your Grants Management Specialist (GMS).

12. The recipient shall comply with data integrity guidelines and perform data validation to ensure the accuracy of their data on a quarterly basis.

Programmatic data will be used to track progress against the MIPPA Performance Measures (PM):

- **PM2: Overall Persons Reached through Outreach** - Total number of people reached as reported on group outreach and education forms

- **PM4: Contacts with Applications Submitted** - Percentage of forms with applications submitted compared to overall MIPPA contacts reported in PM1

Narrative progress reports must be submitted semi-annually. This report must be submitted as a “note” using an authorized GrantSolutions account. The semi-annual narrative progress report covers the following period:

- September 1st through February 28th – due March 31st

A final narrative report will be due at the end of the grant period. This final report will replace the last semi-annual narrative and must cover the entire life of the grant. The final narrative report is due 90 days after the end of the award (November 30, 2021).

Financial Reporting

All grantees must use the Federal Financial Report (SF-425) form at:

<https://www.grants.gov/forms/post-award-reporting-forms.html>. The SF-425 form is downloadable as a PDF. Complete all lines as appropriate, sign and date and upload to GrantSolutions as a "grant note". Additional Terms

At any phase of the project period, the recipient shall deliver to the Administration for Community Living (ACL) upon request, any materials, systems or other items developed, refined, or enhanced under the grant award. The recipient agrees that ACL shall have royalty-free, non-exclusive, and irrevocable rights to reproduce, publish, or otherwise use and authorize others to use the items for Federal Government purposes.

On all publications funded solely or in part by MIPPA funds, the recipient shall include the express acknowledgement, "This project was supported, in part by grant number XXXXX####, from the U.S. Administration for Community Living, Department of Health and Human Services, Washington, D.C. 20201. Grantees undertaking project with government sponsorship are encouraged to express freely their findings and conclusions. Points of view or opinions do not, therefore, necessarily represent official ACL policy."

The recipient shall participate, as appropriate, in ACL's MIPPA Evaluation Project.

The recipient shall work with assigned ACL project officer to address any project concerns, if applicable, identified in the application review process.
