- b. A meal reported for NSIP is to be served to individuals who meet the service criteria in the OAA and regulations, including not being means-tested for participation and being provided the opportunity to voluntarily contribute to the cost of service.
- c. A meal can only be reported once, either by State Units on Aging on the State Program Report or by Indian Tribal Organizations on the Program Performance Report.
- d. Reports for the NSIP are to meet the timelines and data quality standards established by the Administration on Aging.

7. Overlapping Projects: Recipients with overlapping projects must be specifically cautious that approved costs on any budget, including match or cost share (if applicable), is not also included on any other federally financed program in either the current or a prior period.

Remarks:

1. This cash award represents FY 2023 final funding. It does not include the proportional amount if the grantee elected to have US Foods (commodities) from USDA. The COVID-19 crisis is expected to completely skew traditional meal service and meal counts. As a result, ACL is holding harmless meal counts from 2019 and will apply them to 2023 NSIP allocations. A final PMS drawdown (liquidation) must be completed within 120 days after the project end date of this NoA.
