CDC will work in partnership with the recipient to ensure the success of the cooperative agreement by:

- Supporting recipients in implementing cooperative agreement requirements and meeting program outcomes.
- Assisting recipients in advancing program activities to achieve project outcomes.

Budget Revision Requirement: By October 30, 2023 the recipient must submit a revised budget with a narrative justification to reflect the approved funding amount of \$925,000. Also, provide the following information for the following budget categories:

Travel – Provide the staff positions that will be traveling.

Failure to submit the required information in a timely manner may adversely affect the future funding of this project. If the information cannot be provided by the due date, you are required to contact the GMS/GMO identified in the CDC Staff Contacts section of this notice before the due date.

Expanded Authority: The recipient is permitted the following expanded authority in the administration of the award.

- Carryover of unobligated balances from one budget period to a subsequent budget period. Unobligated funds may be used for purposes within the scope of the project as originally approved. Recipients will report use, or intended use, of unobligated funds in Section 12 “Remarks” of the annual Federal Financial Report. If the GMO determines that some or all of the unobligated funds are not necessary to complete the project, the GMO may restrict the recipient’s authority to automatically carry over unobligated balances in the future, use the balance to reduce or offset CDC funding for a subsequent budget period, or use a combination of these actions.

FUNDING RESTRICTIONS AND LIMITATIONS

Matching Funds Requirement: The required level of non-federal participation for Well Integrated Screening and Evaluation for Women Across the Nation (WISEWOMEN) is in an amount not less than one dollar for every three dollars of Federal Funds.

Recipient financial participation is required for this program in accordance with the authorizing legislation. Section 1502(a) and (b)(1), (2), and (3) of the PHS Act, as amended, requires matching funds from non-Federal sources in an amount not less than one dollar for every three dollars of Federal funds, a ratio of 3:1, awarded under this program. However, Title 48 of the US Code 1469a (d) requires DHHS to waive matching fund requirements for Guam, U.S. Virgin Islands, American Samoa, and the Commonwealth of the Northern Mariana Islands up to \$200,000.

The match requirement may include third-party in-kind contributions, as well as expenditures from the grantee. The matching funds may be cash, in-kind or donated services or equipment. Public Law 93-638 authorizes tribal organizations contracting under the authority of Title I to use funds received under the Indian Self-Determination Act as matching funds.

Matching funds may not include: 1) payment for treatment services or the donation of treatment services; 2) services assisted or subsidized by the Federal government; or 3) the indirect or overhead costs of an organization. All costs designated as meeting the match requirement must be documented by the applicant and will be subject to audit. Documentation of appropriate matching is to be provided in the detailed budget and narrative justification.

Matching is generally calculated on the basis of the federal award amount and is comprised of recipient contributions proposed to support anticipated costs of the project during a specific budget period (confirmation of the existence of funding is supplied by the recipient via their Federal Financial Report). The recipient must be able to account separately for stewardship of the federal funding and for any required matching; it is subject to monitoring, oversight, and audit. The recipient may not use matching expenditures to count toward any Maintaining State Funding requirement.

When a recipient requests a carryover of unobligated funds from prior year(s), matching funds equal to the new requirement must be on record in the CDC grant file, or the recipient must provide evidence with the carryover request.
