1. Award Terms and Conditions

AWARD INFORMATION

Incorporation: In addition to the federal laws, regulations, policies, and CDC General Terms and Conditions for Non-Research awards at <https://www.cdc.gov/grants/federal-regulations-policies/index.html>, the Centers for Disease Control and Prevention (CDC) hereby incorporates Notice of Funding Opportunity (NOFO) number CDC-RFA-EH21-2102, entitled "Childhood Lead Poisoning Prevention and Surveillance of Blood Lead Levels in Children," , and application dated May 6, 2022, as may be amended, which are hereby made a part of this Research award hereinafter referred to as the Notice of Award (NOA).

Approved Funding: Funding in the amount of \$400,00.00 is approved for the Year 02 budget period, which is September 30, 2022 through September 29, 2023. All future year funding will be based on satisfactory programmatic progress and the availability of funds.

The federal award amount is subject to adjustment based on total allowable costs incurred and/or the value of any third party in-kind contribution when applicable.

Note: Refer to the Payment Information section for draw down and Payment Management System (PMS) subaccount information.

Financial Assistance Mechanism: Cooperative Agreement

Substantial Involvement by CDC: It is anticipated that CDC will have substantial programmatic involvement after the award is made. Substantial involvement is in addition to all post-award monitoring, technical assistance, and performance reviews undertaken in the normal course of stewardship of federal funds.

CDC program staff will assist, coordinate, or participate in carrying out effort under the award, and recipients agree to the responsibilities therein, as detailed in the NOFO.

Budget Revision Requirement: By October 30, 2022 the recipient must submit a revised budget with a narrative justification. Failure to submit the required information in a timely manner may adversely affect the future funding of this project. If the information cannot be provided by the due date, you are required to contact the GMS/GMO identified in the CDC Staff Contacts section of this notice before the due date.

Please note: The negotiated indirect cost rate agreement (NICRA) for your organization indicates a rate of 19% for direct salary and fringe benefits. Salary, Wages and Fringe total \$281,772. The indirect request of \$53,818 exceeds the Provisional rate of 19% of the base, which includes, direct salaries and wages including all fringe benefits. Please revise accordingly.

Expanded Authority: The expanded authorities selected below apply to this NoA.

- Carryover of unobligated balances from one budget period to a subsequent budget period. Unobligated funds may be used for purposes within the scope of the project as originally approved. Recipients will report use, or intended use, of unobligated funds in Section 12 "Remarks" of the annual Federal Financial Report submitted in eRA Commons. If the GMO determines that some or all the unobligated funds are not necessary to complete the project, the GMO may restrict the recipient's

authority to automatically carry over unobligated balances in the future, use the balance to reduce or offset CDC funding for a subsequent budget period, or use a combination of these actions.

Program Income: Any program income generated under this grant or cooperative agreement will be used in accordance with the Addition alternative.

Addition alternative: Under this alternative, program income is added to the funds committed to the project/program and is used to further eligible project/program objectives.

Note: The disposition of program income must have written prior approval from the GMO.

FUNDING RESTRICTIONS AND LIMITATIONS

Indirect Cost: Indirect costs are approved based on the negotiated indirect cost rate agreement dated March 30, 2021, which calculates indirect costs as follows, a Provisional rate of 19 % of the base, which includes, direct salaries and wages including all fringe benefits. The effective dates of this indirect cost rate are from July 1, 2022 to June 30, 2024.
