

Did You Know?

The top of **BROCCOLI** is actually a flower that hasn't opened yet.

Broccoli

Apple

An **APPLE** tree can produce up to 400 apples a year.

SWISS CHARD stems look like celery and can be green, red, pink, orange or yellow.

Swiss Chard

Brain Challenges

Tasty Maze

Find your way through the pumpkin maze from start to finish.

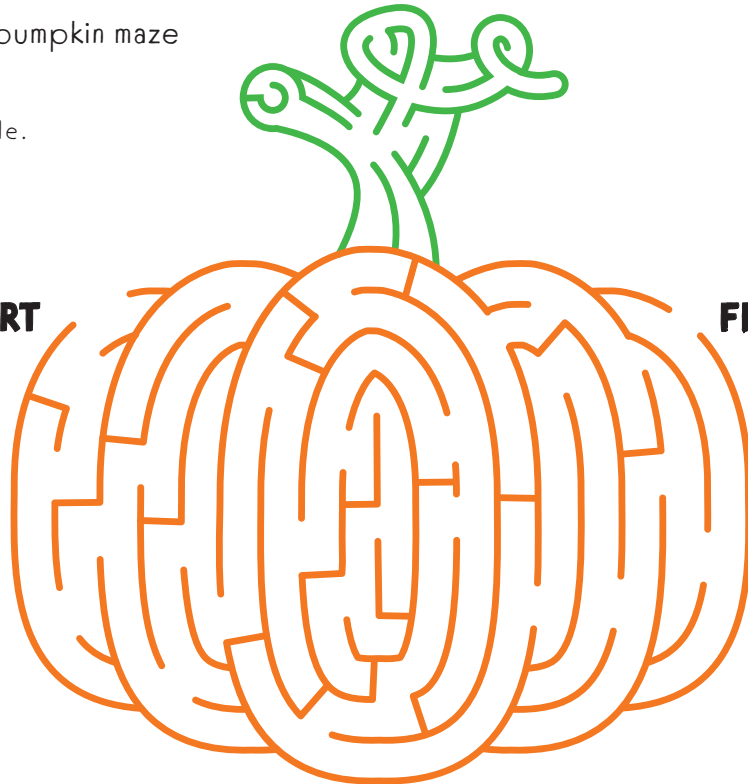

The answer is on the other side.

START

FINISH

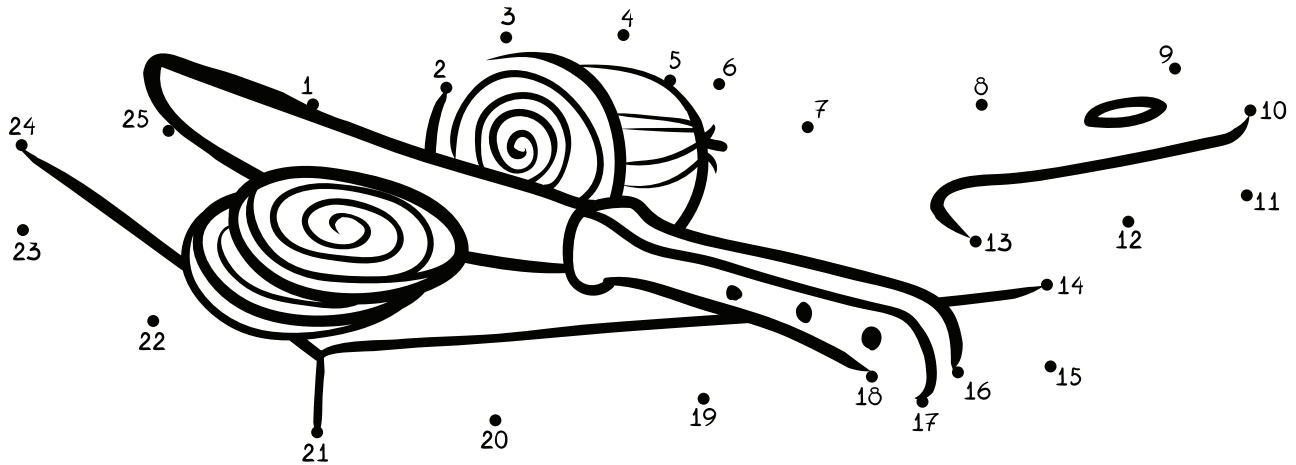

Pumpkin

Answer:

Starting at number 1, connect all of the dots to create a cutting board! You will end at number 25. Color the onion and board you draw.

The answer is on the other side.

1. RIDE A BIKE OR SCOOTER THROUGH LEAVES

Watch the leaves fly around you!

Pear

2. RAKE LEAVES

Make the biggest leaf pile you can to play with.

Squash
