

# Did You Know?

Cauliflower

**CAULIFLOWER** isn't always white. They also can be purple or orange.

Adapted from <https://www.fruitsandveggiesmorematters.org/cauliflower> and <https://www.fruitsandveggiesmorematters.org/kale>

**KALE** was so popular in Scotland that being invited to "come to kale" was an invitation to dinner.

Kale

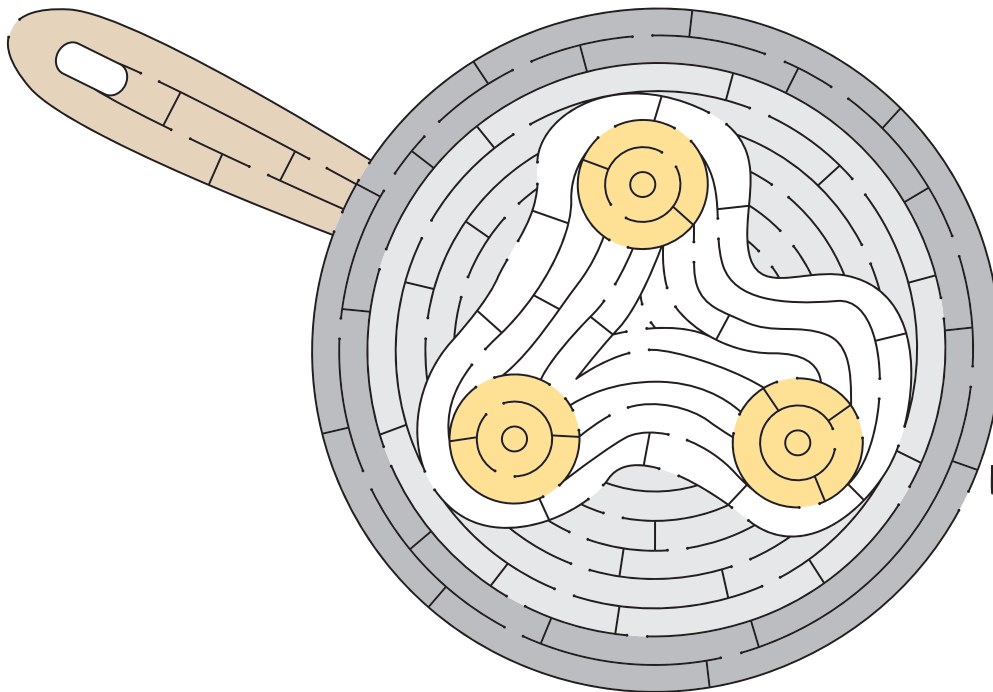

## Brain Challenges

# Tasty Maze

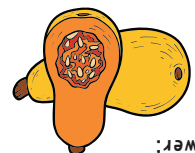

Find your way through the frying pan maze from start to finish.

The answer is on the other side.

**START**

**FINISH**

Answer:

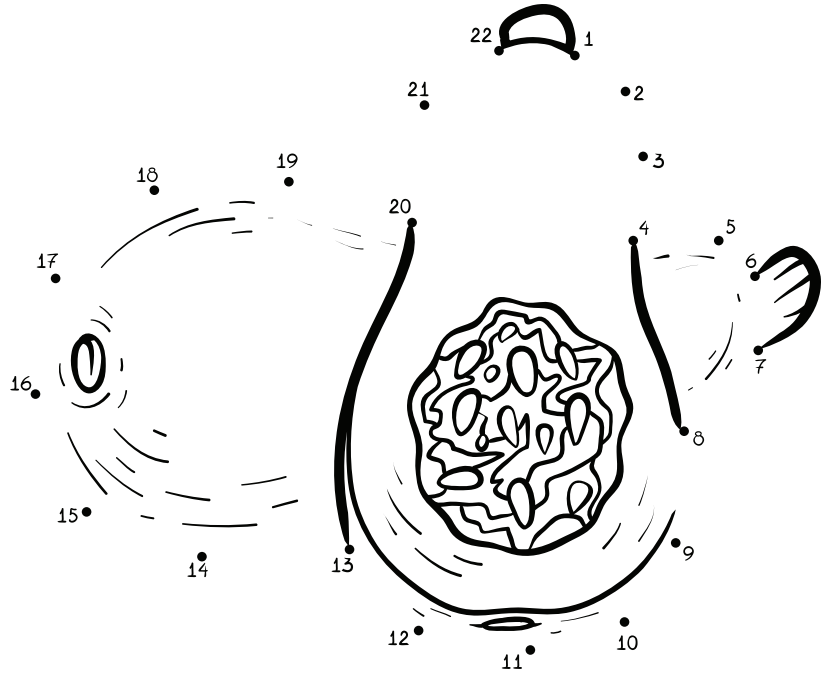

# Connect The Dots

Starting at number 1, connect all of the dots to create 2 squash! You will end at number 22. Color the squash you draw.

The answer is on the other side.

Squash
