

Missouri Tobacco Quit Services

helps Missourians **quit** using commercial tobacco products

Twice I had given up on quitting. Thanks to the coach, I didn't quit the program.

The quit coach talked me through my withdrawals and my guilt about my relapse.

I love this program. I use all your products, website, texts, coaching calls and patches. The coaches are helpful and effective.

Nearly **10,000** Missourians contacted Tobacco Quit Services in 2021, with over **5,200** tobacco users registering for free cessation support, including **3,000** who received nicotine patches or gum.

Take the first step to a nicotine-free life.
