

## Provider Survey

**The Department of Health and Senior Services (DHSS) is updating the information/resources necessary to comply with Section 188.027, RSMo, which passed in the 2010 Missouri Legislative Session. This section requires the DHSS to provide geographically indexed information on public and private agencies available to assist a pregnant woman in carrying her unborn child to term, and to assist her in caring for her dependent child or placing her child for adoption. This section also requires DHSS to provide geographically indexed information regarding ultrasound providers.**

**If you/your agency provide fetal ultrasound and/or services to assist pregnant women in carrying an unborn child to term, please provide the following information:**
