Interventions to Reduce Acute Care Transfers (INTERACT II)

June 14, 2012, 11:30 am - 1:00 pm

Who

Missouri skilled nursing facilities and other partnering health care providers are invited to explore how communities can better support patients in their care transitions and reduce avoidable hospital readmissions.

What

Learn how INTERACT II can improve the early identification, assessment, documentation and communication about changes in the status of residents in skilled nursing facilities. Lutheran Senior Services will address their findings of implementing INTERACT II in their facilities, and SSM Health Care St. Louis will discuss the partnership opportunities that have arisen from Lutheran Senior Services implementing INTERACT II.

Speakers:

Mary Perloe, RN, MS, GNP, Regional Coordinator, Integrating Care for Communities & Populations National Coordinating Center

Joan Devine, RN, BSN, RAC-CT, Director of Performance Improvement, Lutheran Senior Services

Cathy Kush, DNP(c), GNP-BC, Geriatric Nurse Practitioner, Lutheran Senior Services

Lorraine Yehlen, RN, BSN, MA, Network Executive Director, Senior Services & Community Outreach, SSM Health Care St. Louis

Why

Benefits of participation in the Care Transitions Learning & Action Network include:

- o Free educational webinars and teleconferences;
- o Opportunities to learn and share best practices;
- o Selection and implementation of interventions; and
- o Online tools and resources that can help communities reduce readmission.
