

## About Us

The Long Term Care Educators Association (LTCEA) was formed in 1988 to provide a means to network, share resources and improve the quality of care in LTC facilities.

Members include facility educators, instructors, DON's, Administrators, nursing staff members, community based healthcare professionals, and others with an interest in long term care.

Goals of the organization include:

- Identifying and developing resources for the Long Term Care Educator
- Sharing teaching methods for adult learners
- Reviewing legislative changes at the State and Federal level that affect long term care
- Providing educational opportunities through monthly speakers
- Valuable CEU's for NH Administrators

LTCEA is registered with the State of Missouri as a not-for profit organization and is supported by annual membership dues of \$15 and funds generated through attendance at Fall conferences sponsored by the organization.

## Annual CMT Competition

Nominate your brightest shining star CMT to participate in our annual competition. Their skills will be put to the test with other nominated CMT's for a chance to win cash prizes. Contestants will be introduced during our morning introduction, and the winner will be announced after lunch.

Qualities of nominees should include efficiency, accuracy, patient advocacy and excellent customer service.

To nominate a CMT or for more information please contact Sue Propper, our Resource Librarian at:

Phone: (314) 882-9542

E-Mail: [summerly@charter.net](mailto:summerly@charter.net)

## Miscellaneous

Handouts will only be available online, NOT at the conference. Please go to <http://www.ltcea.org>

Please dress in layers, as it is difficult to regulate the temperature of such a large room

## FALL FESTIVAL OF LEARNING

### **Purpose:**

The Fall Festival of Learning is designed to provide educational opportunities for the facility educator, Administrator, DON, staff nurse, community based healthcare provider and anyone involved in LTC.

### **Learning Objectives: (upon completion)**

- Learn what the future holds for LTC with electronic documentation
- Discuss challenges and advantages of EMR's
- Discuss/define culture change and review what is happening locally/nationally
- Learn the future of culture change in LTC
- Discuss changes in antipsychotic regulations
- Review appropriate use of antipsychotics
- Discuss "Accountable Care Organizations"
- Review best practices to reduce hospital readmissions from LTC

**CEU's:** 5.0 hours requested by the MO Board of Nursing Home Administrators

### *CherRae Shanley, RN, BSN*

CherRae has worked as a Nurse Manager, Clinical Information Specialist, ADON/DON, and now Corporate Applications Administrator. She is an instrumental leader in the progress of electronic medical records and record integration as Bethesda Health Group moves forward to become paperless.

### *Sam Plaster*

Sam serves as the State Culture Change Coordinator for MO Department of Health and Senior Services section for LTC Regulation. He has worked for MO for 22 years in a variety of positions and travels the state ensuring that both facilities, and surveyors are up to speed on what's happening with culture change.

### *Janice Ceriotti, R. Ph*

Janice graduated from St. Louis College of Pharmacy in 1992 and works as the Director of Clinical Services where she oversees 18 pharmacists. She is a member of the American Society of Consultant Pharmacists and directly assists in implementing regulations of Geriatric Pharmaceutical Care Guidelines.

### *Hany Salama, MD*

Dr. Salama works as a Medical Director in the LTC industry, as well as Medical Director for Hospice services, in addition to running his own private practice and urgent care center. Dr. Salama is a key element in keeping residents in his facilities by treating his residents to the best of his ability on-site when possible.
