2. Find your nursing home using the search bars
3. Navigate to the quality measures tab
4. Compare the facility's QM scores to state and national averages
  - You can also graph the values on NHC
  - Note: QM values on Nursing Home Compare are a three quarter average, and lag by 3 months

The screenshot shows the Medicare.gov website in Internet Explorer. The page title is "Nursing Home Compare Home". The main heading is "Nursing Home Compare". Below the heading are four tabs: "About Nursing Home Compare", "About the Data", "Resources", and "Help". The "About Nursing Home Compare" tab is active. The main content area is titled "Find a Nursing Home" and contains a search form. The form has two sections: "Required Search:" and "Optional Search:". The "Required Search:" section includes a label "Location - ZIP Code or City, State or State" and an example "Example: 21244 or Baltimore, MD or Maryland". Below this is a text input field. The "Optional Search:" section includes a label "Nursing Home Name - Full or Partial" and a text input field. At the bottom of the form is a yellow button labeled "Search Nursing Homes". To the right of the search form is a "Nursing Home Spotlight" section. It contains the text "Nursing Home Compare now has the following:" followed by two bullet points: "You can now search for all nursing homes in a state." and "Ownership information including the names of individuals and organizations with ownership or managerial control of nursing homes". Below this is a section titled "Use these helpful resources:" with three bullet points: "Guide to Choosing a Nursing Home", "Nursing Home Checklist", and "How we calculate ratings". At the bottom of the page is an "Additional Information" section with one bullet point: "Learn about your Rights as a".

## Other Sources of Data

- Each nursing home is given advanced access to their Five-Star ratings, via the Five-Star provider preview reports.
- Also included in this report are quality measure values for each quarter, the 3-quarter average, and the national comparison
- These reports are generated early in the week of the NHC refresh, which is typically on the 3<sup>rd</sup> Thursday of each month
- Quality measures are updated quarterly (Jan, Apr, July, and Oct)
- To access these reports, select the CASPER Reporting link located at the top of your MDS State Welcome page. Once in the CASPER Reporting system, click on the 'Folders' button and access the Five Star Report in your 'st LTC facid' folder, where st is the 2-character postal code of the state in which your facility is located and facid is the state-assigned Facility ID of your facility.
- For more real time data you can access CASPER reports through the same system – contact your MDS coordinator or administrator
