Description

A professional development certificate program for RNs and NHAs using a proven curriculum to improve leadership behaviors with a combination of face to face meetings and two webinars. Offered over 7 months, it features an innovative and evidence-based curriculum with a strong focus on application to practice and peer consultation.

Target Audience

RNs (do not have to be a DoN) and NHA. We highly encourage the RN-NHA leadership team to enroll together to foster the team's ability to make sustainable improvement in their organization. However, individual enrollment is accepted.

Features

- Networking & professional recognition with CE Credit for \$10.00 per hour.
- Graduates are recognized by LTC stakeholders, potential employers, and colleagues.
- Show Me PIPS and Best Practices - Share your organization's success with others during the final day of the program. Go on to be featured by other LTC stakeholder groups as a leader in Missouri.
- The LPI - Access to an evidence-based leadership assessment instrument and professional development planning package with one on one consultation.

Topics

- Leadership for High Performing Nursing Homes
- Conflict Can Be a Gift
- Staff Engagement
- Thoughts on Leadership
- Leading & Sustaining Change
- A Team Approach to Quality Improvement
- Managing Different Generations
- Influencing Up
- The Art & Science of Management & Leadership
- The RN's Role in LTC- Lessons from Patient Safety Research
- Creating & Leading a Person Centered Care Culture
- Finance for High Performing Homes (optional day)
- Making the Financial Case for Change & Basic Financial Management
- A Future of Change for Health Care Delivery
- Ageism, Self Evaluation, and Customer Service in LTC & CMS Updates
- Building an Effective Organization: Ingredients, Pathways, and Possibilities
- Thriving in a Competitive Market: Lessons from Quality Award Winners

Proven Outcomes

- Measureable improvement in falls, staff retention, communication, incontinence, re-hospitalization, and more
- 74-100% retention rate of graduates up to 18 months after completion of the program
- Significant increase in confidence to lead
- Significant increase in leadership behaviors
- Enriched and expanded peer networks
