

# AFIB COALITION BOOT CAMP

CHICAGO | SEPTEMBER 30, 2016

*Designed to enhance the skills and knowledge base of AFib coordinators and coinciding clinicians, this conference provides an advanced look at all aspects of treatment in AFib care.*

**ONLY \$40**

## WHY ATTEND?

Our panel of expert speakers will give you the knowledge you need to stay equipped in the advancing field of atrial fibrillation care.

## TOPICS

- State of AFib care
- Shaping consistent evidence-based care
- Building a functioning AFib team
- Using data to improve quality of care
- Igniting the innovative research process
- Components of AF/Anticoagulation Clinic Management
- The role of the AFib coordinator

## OTHER PERKS

- Expand your professional network
- Access to other AFib opportunities and resources
- Accredited by the American Nurses Credentialing Center (ANCC)
- Learn about opportunities for free enrollment in GWTG-AF

## DESIRED OUTCOMES FOR EVENT

- Increased adherence to clinical practice guidelines and performance measures involving the treatment of atrial fibrillation
- Clinicians will consistently provide the most current treatment modalities and education for the AFib patient to ensure optimal therapy
- Better understanding of the role of the AFib coordinator and the resources necessary for effective performance
