## **Webcast Announcement**

**Clinic Waiting Room Diabetes Education Video Project**

**Critical Access Hospital (CAH) Diabetes Webcast**

**Date: Wednesday, July 29, 2015**

**Time: 10:00 – 11:00 am, Central Daylight Time (CDT)**

**Webcast link: <http://services.choruscall.com/links/hrsa150529.html>**

### **Objective**

The objective of this Webcast is to increase the awareness of the problem that Diabetes presents in Critical Access Hospitals in Kansas and Missouri; and to present the Clinic Waiting Room Diabetes Education Video Project as a tool that can help with patient health literacy regarding Diabetes.

### **Panelists**

- Critical Access Hospital Representative – Cindy Finley, RN, BSN, Chief Nursing Officer, Iron County Medical Center, Pilot Knob, MO
- Centers for Medicare & Medicaid Services (CMS) Representative - Nickolas Clasen, BS, Regional External Affairs, Centers for Medicare & Medicaid Services (CMS), Kansas City, MO
- HRSA ORO Area/Regional Pharmacy Officer - CAPT Dave Ellison, R.Ph., MPA, HRSA Office of Regional Operations, Kansas City, MO

### **Target Audience**

CAH staffs, along with other public health staff and stakeholders, are invited to participate in this Webcast. Please forward this announcement to your rural health contacts and stakeholders as appropriate.

For information contact CAPT Dave Ellison, Area/Regional Pharmacy Officer, [AskRegion7@hrsa.gov](mailto:AskRegion7@hrsa.gov).
