Webcast Announcement

Clinic Waiting Room Diabetes Education Video Project

Rural Health Clinic (RHC) Diabetes Webcast Date: Wednesday, July 22, 2015

Time: 10:00 – 11:00 am, Central Daylight Time (CDT)

Webcast link: <http://services.choruscall.com/links/hrsa150722.html>

Objective

The objective of this Webcast is to increase the awareness of the problem that Diabetes presents in Rural Health Clinics in Kansas and Missouri; and to present the Clinic Waiting Room Diabetes Education Video Project as a tool that can help with patient health literacy regarding Diabetes.

Panelists

- Rural Health Clinic Representative - Diane Rowe, RN, MSN, FNP-C, Diabetes Educator, Elk River Health Services, INC, Anderson, MO
- Centers for Medicare & Medicaid Services (CMS) Representative - Nickolas Clasen, BS, Regional External Affairs, Centers for Medicare & Medicaid Services (CMS), Kansas City, MO
- HRSA ORO Area/Regional Pharmacy Officer - CAPT Dave Ellison, R.Ph., MPA, HRSA Office of Regional Operations, Kansas City Regional Division, Kansas City, MO

Target Audience

RHC staffs, along with other public health staff and stakeholders, are invited to participate in this Webcast. Please forward this announcement to your rural health contacts and stakeholders as appropriate.

For information contact CAPT Dave Ellison, Area/Regional Pharmacy Officer, AskRegion7@hrsa.gov.
