East Central Region EMS Committee

2nd Annual Time Critical Diagnosis (TCD) Educational Symposium

September 24, 2015
Holiday Inn Route 66
10709 Watson Road
St. Louis Mo 63127

Program Objective

This symposium has been developed for EMS, RN and MD's involved in the care of the time critical diagnosis (TCD) patient.

TCD is a Missouri-wide system that coordinates the 911 emergency phone system, ambulance services and hospitals in an integrated way to improve patient care and outcomes for Stroke, STEMI and Trauma.

Program Agenda

6:15 AM **Registration/Continental Breakfast**

6:55 AM **Welcome**

7:00 AM **TCD-What Is It and Where Are We?**
Brian Froelke, MD

7:30 AM **Regional TCD Updates**
Doug Schuerer, MD

8:00 AM **Stroke and Trauma IR Interventions**
B. Kirk Bieneman, MD

9:00 AM **Break/Exhibitor Viewing**

9:15 AM **Breakouts**

Trauma Session-

9:15-9:45 **Peds vs Adult Trauma: Taking Them from Little League to the Majors**
Marty Keller, MD

9:45-10:15

TBI-Early Interventions and Improving Outcomes
Anne Gildehaus, RN-CPNP-RC

STEMI Session- 12 Lead STEMI recognition
Zach Teb, MD FAAEM

Stroke Session- Treatments for Bleeds
Eli Feen, MD

10:15AM **Breakouts**

Trauma Session- The Killer Airway
Craig Kraus, MD

STEMI Session. STEMI, NSTEMI, and Unstable Angina
Jim Smith, MD

Stroke Session-Prehospital Stroke Scales: Which one is best and are they ready for prime time?
Peter Panagos, MD

11:15 AM **Lunch (Provided)/ Exhibitor Viewing**

12:15 PM **Coordination of Confusion: Mass Casualty Incident Management**
Jeff Hamilton, RN BA

1:00 PM **As the Crow Flies: Air Medical Transports Role in Time Critical Diagnosis**
Scott Dunn MD

1:45 PM **Wake Up Strokes**
Nancy Jackson, MSN RN CNRN SCRN

2:45 PM **Break/Exhibitor Viewing**

3:00 PM **Trauma and TCD-Case Presentations**
Jason Rhee, MD

3:30 PM **Stroke and TCD-Case Presentations**
Amer Alsheklee, MD MSc

4:00 PM **STEMI and TCD-Case Presentations**
Timothy Schloss, MD FACC FSCAI RPVI

4:30PM **Closing Remarks**
Doug Schuerer, MD

Registration Form

Please sign up for one 9:15 session and one 10:15 Session:

- 9:15 Trauma Session
- 9:15 STEMI Session (Limit 100)
- 9:15 Stroke Session (Limit 100)
- 10:15 Trauma Session
- 10:15 STEMI Session (Limit 100)
- 10:15 Stroke Session (Limit 100)

St. Louis, MO 63128

LEARNING OBJECTIVES

After participating in this activity, participants will be able to:

1. State the updated treatment guidelines and protocols for the stroke, STEMI and trauma patient based on the MO legislative Time Critical Diagnosis (TCD) recommendations.
2. Name two interventions used in the treatment of ischemic stroke
3. Describe the assessment of a possible stroke victim using a prehospital stroke scale
4. State two priorities in preparation of transporting a TCD patient by air ambulance
5. Name two differences in the treatment of a pediatric trauma patient vs. an adult
6. Name two of the early interventions needed in treatment of pediatric traumatic brain injury to improve outcomes
7. Recognize a STEMI on a 12 Lead EKG
8. List two treatment options for patients with intracranial bleeding
9. State two interventions for airway management in the traumatically injured patient
10. Describe the treatment options for STEMI, Non-STEMI and Unstable Angina
11. Describe the triage system used during a mass casualty situation
12. List two treatment options for wake up strokes

TARGET AUDIENCE

Physicians, nurses, nurse practitioners, physicians assistants from the Neurology, Cardiology Trauma, Emergency Medicine, ICU, CCU and Quality Improvement Departments and other health professionals caring for Stroke, STEMI and trauma patients across the continuum of care.

Joint Accreditation Statements

This activity has been planned and implemented by the American Heart Association and St. Anthony's Medical Center. The American Heart Association is accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE), and the Accreditation Council for Continuing Medical Education (ACCME), to provide continuing education for the healthcare team.

AMA Credit Designation Statement - Physicians

The American Heart Association designates this live activity for a maximum of 7.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AAPA Credit Acceptance Statement - Physician Assistants

AAPA accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™*

from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 7.00 hours of Category I credit for completing this program.

AANP Credit Acceptance Statement - Nurse Practitioners

American Academy of Nurse Practitioners (AANP) accepts *AMA PRA Category 1 Credit*[™] from organizations accredited by the ACCME.

***AMA Credit must be claimed within 6 months of attendance. CME/CE will no longer be available to claim after March 24, 2016.*

ANCC Credit Designation Statement - Nurses

The maximum number of hours awarded for this CE activity is 7.00 contact hours.

***ANCC Credit must be claimed within 6 months of attendance. CME/CE will no longer be available to claim after March 24, 2016.*

Continuing Education Accreditation - Emergency Medical Services

This continuing education activity is approved by the American Heart Association, an organization accredited by the Continuing Education Coordinating Board for Emergency Medical Services (CECBEMS), for 7.00 Advanced CEHs, activity number 15-AMHA-F1-0279.

***CECBEMS credit must be claimed within 6 months of attendance. CME/CE credit will no longer be available to claim for this activity after March 24, 2016.*

Disclosure Policy

All persons who develop and/or control educational content in CME/CE activities provided by the American Heart Association will disclose to the audience all financial relationships with any commercial supporters of this activity as well as with other commercial interests whose lines of business are related to the CME/CE-certified content of this activity. In addition, presenters will disclose unlabeled/unapproved uses of drugs or devices discussed in their presentations. Such disclosures will be made in writing in course presentation materials.
