## **2016 Public Health Preparedness Conference**

*Threats, Hazards and Opportunities*

Please join us for the 2016 Public Health Preparedness Conference, co-sponsored by the Missouri Department of Health and Senior Services and the State Emergency Management Agency.

This year's Public Health Preparedness Conference will provide a variety of general and breakout sessions especially designed to enhance local and state public health emergency preparedness and response capabilities across Missouri.

Conference participants will include Local Public Health Agencies, local healthcare professionals, the Missouri Department of Mental Health, the Missouri Department of Health and Senior Services, the State Emergency Management Agency, local emergency management directors and other members of Missouri's emergency management community. The conference is supported through the federal Public Health Emergency Preparedness Grant provided by the Centers for Disease Control and Prevention.

**When:** The conference will be held on June 28-29, 2016.  
Onsite registration will begin at 8:15 a.m. on June 28, with the main session beginning at 9:15 a.m. The conference will conclude on June 29 at 2:30 p.m.
