

Health Data Workshop Evaluation

Self Assessment of Skills	Strongly Disagree					Strongly Agree	
<i>Presenting Data Using Microsoft Excel and Microsoft Word</i>							
1) I know how to download a data table from the Profiles/MICA system and use it to create a chart in Microsoft Excel.	1	2	3	4	5		
2) I know how to copy and paste charts from Microsoft Excel into Microsoft Word.	1	2	3	4	5		
<i>Data Analysis Exercise</i>							
3) The exercise integrated relevant material from the <i>Introduction to Profiles and MICA</i> and <i>Health Data Analysis</i> courses.	1	2	3	4	5		
4) The exercise helped me to better understand the overall process of collecting, analyzing, and disseminating data.	1	2	3	4	5		
<i>Review Game</i>							
5) The difficulty level of the questions was appropriate (i.e., a few were easy to answer, most required some thought, and a few were challenging).	1	2	3	4	5		
6) I was able to answer most of the questions correctly.	1	2	3	4	5		
7) The review of the questions helped me to understand those I initially answered incorrectly.	1	2	3	4	5		
<i>Document Peer Review</i>							
8) I received helpful comments about my document.	1	2	3	4	5		
9) I had the opportunity to provide feedback on other documents.	1	2	3	4	5		
10) I am now aware of improvements that I can make within my documents so that they will be more useful to readers.	1	2	3	4	5		
11) The peer review process taught me new ways to review and critique my own documents in order to improve them.	1	2	3	4	5		
<i>Additional Data Resources</i>							
12) I learned about new sources of data that can be used to assess the health status of my community.	1	2	3	4	5		
13) I gained familiarity with a few data sources outside of the MICA system.	1	2	3	4	5		
Workshop Evaluation							
14) I increased my knowledge significantly by attending this training.	1	2	3	4	5		
15) Presenters adequately explained how the Community Data Profiles, MICAs, other data resources, Microsoft Excel, and Microsoft Word can help me to prepare reports and presentations about the health status of my community.	1	2	3	4	5		
16) Presenters adequately facilitated the document peer review.	1	2	3	4	5		
17) The training materials were useful.	1	2	3	4	5		
18) This training course met my expectations.	1	2	3	4	5

Short Answer

- 21) What were the best parts of this training?
- 22) How could this training be improved?
- 23) Which sections or topics were most useful?
- 24) Were there any sections or topics that should have been omitted from this course? If so, which ones?
- 25) Did you have any questions related to the Profiles or MICA tools, data analysis, or data presentation that were not answered today? If so, please list your questions.
- 26) Are there any areas in which you need additional training? If so, please list those areas.

Additional Comments

Thank you!
