

Disasters . . . they can happen anywhere.
But we've got a few tips, so you can prepare.
For floods, tornadoes, or even a 'quake.
You've got to be ready - in a shake.

Emergency prep should be your game.
And giving you tips is our claim to fame.

Helping people prepare is what we do,
So, here's three easy steps to get you through.

Talk to your crew and put your plan together,
Round up your emergency kit and pay attention to the weather

Set yourself up to wait for info
and don't forget batteries for your radio

Disaster . . . they can happen anywhere.
