SECTION IV – IP Special Terms and Conditions – 1H23IP000540-01 REVISED

ADDITIONAL TERMS AND CONDITIONS OF AWARD
Amendment Five

1. NO COST EXTENSION

The purpose of this amended Notice of Award is to grant an additional twelve month no cost extension for the budget period and project period. The revised budget and project period dates are September 1, 2011 through August 31, 2015, as requested in correspondence dated July 16, 2014. Unobligated funds remaining on August 31, 2014 may continue to be used during the extended period; however, no additional new funds have been or will be awarded to support this award. All activities are expected to be completed on or before the extension period of August 31, 2015. New activities are not authorized.

A. ASSISTANCE AWARD CLOSEOUT REPORTING REQUIREMENTS

Grantee must submit closeout reports in a timely manner. Unless the Grants Management Specialist/Grants Management Officer (GMS/GMO) approves a deadline extension the grantee must submit all closeout reports within 90 days after the last day of the final budget period. Reporting timeframe is September 1, 2011 through August 31, 2015. Failure to submit timely and accurate final reports may affect future funding to the organization or awards under the direction of the same Project Director/Principal Investigator (PD/PI).

The final Federal Financial Report (FFR) SF 425 is required and must be submitted through eRA Commons: (eRa Commons website: (<http://era.nih.gov>)). Due Date: November 30, 2015.

The FFR should only include those funds authorized and disbursed during the timeframe covered by the report. The final FFR must indicate the exact balance of unobligated funds and may not reflect any unliquidated obligations. There must be no discrepancies between the final FFR expenditure data and the Payment Management System's (PMS) cash transaction data.

If the FFR is not finalized by the due date, an interim FFR must be submitted, marked NOT FINAL, and an amount of un-liquidated obligations should be annotated to reflect unpaid expenses. Electronic versions of the form can be downloaded into Adobe Acrobat and completed on-line by reviewing, http://www.whitehouse.gov/sites/default/files/omb/assets/grants_forms/SF-425.pdf.

B. FINAL PERFORMANCE REPORT - CLOSE-OUT

All manuscripts published as a result of the work supported in part or whole by the cooperative grant must be submitted with the progress reports.

An original plus two copies of the reports must be mailed to the GMS for approval by the GMO by the due date: November 30, 2015. Ensure the Award and Program Announcement numbers shown above are on the reports.

The final and other programmatic reports required by the terms and conditions of the NoA are the following.

Final Performance Report: An original and two copies are required. At a minimum, the report should include the following:

- Statement of progress made toward the achievement of originally stated aims.
- Description of results (positive or negative) considered significant.
- List of publications resulting from the project, with plans, if any, for further publication.

Final Federal Financial Report (FFR, SF-425): The FFR should only include those funds authorized and actually expended during the timeframe covered by the report. The Final FFR, SF-425 is required and must be submitted through eRA Commons no later than 90 days after the end of the project period. This report must indicate the exact balance of unobligated funds and may not reflect any unliquidated obligations. Should the amount not match with the final expenditures reported to the Department of Health and Human Services' Payment Management Services (PMS), you will be required to update your reports to PMS accordingly. Remaining unobligated funds will be de-obligated and returned to the U.S. Treasury.

If the final reports (FFR and Final Progress Report) cannot be submitted within 90 days after the end of the project period, in accordance with 2 CFR Parts 200.343 (Closeout), 225 and 230, the grantee must submit a letter requesting an extension that includes the justification for the delay and state the expected date the CDC Procurement and Grants Office will receive the reports. All required documents must be mailed to the business contact identified in Staff Contacts.

Equipment Inventory Report: An original and two copies of a complete inventory must be submitted for all major equipment acquired or furnished under this project with a unit acquisition cost of \$5,000 or more. The inventory list must include the description of the item, manufacturer serial and/or identification number, acquisition date and cost, percentage of Federal funds used in the acquisition of the item. The grantee should also identify each item of equipment that it wishes to retain for continued use in accordance with 2 CFR Parts 200, 215.37 or 2 CFR Part 215.71. These requirements do apply to equipment purchased with non-federal funds for this program. The awarding agency may exercise its rights to require the transfer of equipment purchased under the assistance award referenced in the cover letter. CDC will notify the grantee if transfer to title will be required and provide disposition instruction on all major equipment. Equipment with a unit acquisition cost of less than \$5,000 that is no longer to be used in projects or programs currently or previously sponsored by the Federal Government may be retained, sold, or otherwise disposed of, with no further obligation to the Federal Government. If no equipment was acquired under this award, a negative report is required.

Final Invention Statement: An original and two copies of a Final Invention Statement are required. Electronic versions of the form can be downloaded by visiting <http://www.hhs.gov/forms/hhs568.pdf>. If no inventions were conceived under this assistance award, a negative report is required. This statement may be included in a cover letter.

2. All other terms and conditions issued the original award remain effect throughough the budget period, unless changed in writing by the Grants Management Officer.

ADDITIONAL TERMS AND CONDITIONS OF AWARD
Amendment Four

1. NO COST EXTENSION

A. The purpose of this amended Prevention and Public Health Fund (PPHF) Notice of Award is to grant a twelve month no cost extension for the budget period and project period for IP11-1107PPHF11, Project: Capacity Building Assistance to Strengthen Public Health Immunization Infrastructure and Performance financed in part by 2011 Prevention and Public Health Fund: Program Area 1: Enhancing Interoperability between Electronic Health Records and Immunization Systems and Reception HL7 Standard Messages into Information Systems and Program Area 3: Develop Strategic Plans for Immunization Services in Health Department Clinics. The revised budget and project period is: September 1, 2011 through August 31, 2014, as requested in correspondence dated March 15, 2013 and revised on April 30, 2013.

Unobligated funds remaining on August 31, 2013 may continue to be used during the extended period; however; no additional funds have been or will be awarded to support this award. All activities are expected to be completed on or before the extension period of August 31, 2014. New activities are not authorized.

B. ASSISTANCE AWARD CLOSEOUT REPORTING REQUIREMENTS

The final Federal Financial Report (FFR) SF 425 is required and must be submitted through eRA Commons within 90 days after the end of each budget period/project period. The FFR for this budget period is due to the Grants Management Specialist by November 30, 2014. Reporting timeframe is September 1, 2011 through August 31, 2014.

The FFR should only include those funds authorized and disbursed during the timeframe covered by the report. The final FFR must indicate the exact balance of unobligated funds and may not reflect any unliquidated obligations. There must be no discrepancies between the final FFR expenditure data and the Payment Management System's (PMS) cash transaction data.

Failure to submit the required information in a timely manner may adversely affect the future funding of this project. If the information cannot be provided by the due date, you are required to submit a letter explaining the reason and date by which the Grants Officer will receive the information.

eRa Commons website: <http://era.nih.gov/>

If the FFR is not finalized by the due date, an interim FFR must be submitted, marked NOT FINAL, and an amount of un-liquidated obligations should be annotated to reflect unpaid expenses. SECTION IV – IP Special Terms and Conditions – 3H23IP000540-01S1 REVISED

ADDITIONAL TERMS AND CONDITIONS OF AWARD
Amendment Two

1. NO COST EXTENSION

The purpose of this amended Notice of Award is to grant an additional twelve month no cost extension for the budget period and project period. The revised budget and project period end dates are July 1, 2012 through August 31, 2015, as requested in correspondence dated July 16, 2014. Unobligated funds remaining on August 31, 2014 may continue to be used during the extended period; however, no additional new funds have been or will be awarded to support this award. All activities are expected to be completed on or before the extension period of August 31, 2015. New activities are not authorized.

A. ASSISTANCE AWARD CLOSEOUT REPORTING REQUIREMENTS

Grantee must submit closeout reports in a timely manner. Unless the Grants Management Specialist/Grants Management Officer (GMS/GMO) approves a deadline extension the grantee must submit all closeout reports within 90 days after the last day of the final budget period. Reporting timeframe is July 1, 2012 through August 31, 2015. Failure to submit timely and accurate final reports may affect future funding to the organization or awards under the direction of the same Project Director/Principal Investigator (PD/PI).

The final Federal Financial Report (FFR) SF 425 is required and must be submitted to the Grants Management Specialist via email or U.S. Mail by the due Date: November 30, 2015 at the address below:

Michael Vance, Grants Management Specialist
U.S. Department of Health and Human Services
Centers for Disease Control and Prevention
Office of the Chief Operating Office
Procurement and Grants Office - Office of Grants Services
Infectious Disease Service Branch - Team 1
2920 Brandywine Road, NE MS E15
Atlanta, GA 30341
Email: MVance@cdc.gov

The FFR should only include those funds authorized and disbursed during the timeframe covered by the report. The final FFR must indicate the exact balance of unobligated funds and may not reflect any unliquidated obligations. There must be no discrepancies between the final FFR expenditure data and the Payment Management System's (PMS) cash transaction data.

If the FFR is not finalized by the due date, an interim FFR must be submitted, marked NOT FINAL, and an amount of un-liquidated obligations should be annotated to reflect unpaid expenses. Electronic versions of the form can be downloaded into Adobe Acrobat and completed

on-line by reviewing, http://www.whitehouse.gov/sites/default/files/omb/assets/grants_forms/SF-425.pdf.

B. FINAL PERFORMANCE REPORT - CLOSE-OUT

All manuscripts published as a result of the work supported in part or whole by the cooperative grant must be submitted with the progress reports.

An original plus two copies of the reports must be mailed to the GMS for approval by the GMO by the due date: November 30, 2015. Ensure the Award and Program Announcement numbers shown above are on the reports.

Email: MVance@cdc.gov

The final and other programmatic reports required by the terms and conditions of the NoA are the following.

Final Performance Report: An original and two copies are required. At a minimum, the report should include the following:

- Statement of progress made toward the achievement of originally stated aims.
- Description of results (positive or negative) considered significant.
- List of publications resulting from the project, with plans, if any, for further publication.

Final Federal Financial Report (FFR, SF-425): The FFR should only include those funds authorized and actually expended during the timeframe covered by the report. The Final FFR, SF-425 is required and must be submitted through eRA Commons no later than 90 days after the end of the project period. This report must indicate the exact balance of unobligated funds and may not reflect any unliquidated obligations. Should the amount not match with the final expenditures reported to the Department of Health and Human Services' Payment Management Services (PMS), you will be required to update your reports to PMS accordingly. Remaining unobligated funds will be de-obligated and returned to the U.S. Treasury.

If the final reports (FFR and Final Progress Report) cannot be submitted within 90 days after the end of the project period, in accordance with 2 CFR Parts 200.343 (Closeout), 225 and 230, the grantee must submit a letter requesting an extension that includes the justification for the delay and state the expected date the CDC Procurement and Grants Office will receive the reports. All required documents must be mailed to the business contact identified in Staff Contacts.

Equipment Inventory Report: An original and two copies of a complete inventory must be submitted for all major equipment acquired or furnished under this project with a unit acquisition cost of \$5,000 or more. The inventory list must include the description of the item, manufacturer serial and/or identification number, acquisition date and cost, percentage of Federal funds used in the acquisition of the item. The grantee should also identify each item of equipment that it wishes to retain for continued use in accordance with 2 CFR Parts 200, 215.37 or 2 CFR Part 215.71. These requirements do apply to equipment purchased with non-federal funds for this program. The awarding agency may exercise its rights to require the transfer of equipment purchased under the assistance award referenced in the cover letter. CDC will notify the grantee if transfer to title will be required and provide disposition instruction on all major equipment. Equipment with a unit acquisition cost of less than \$5,000 that is no longer to be used in projects or programs currently or previously sponsored by the Federal Government may be retained, sold, or otherwise disposed of, with no further obligation to the Federal Government. If no equipment was acquired under this award, a negative report is required.

Final Invention Statement: An original and two copies of a Final Invention Statement are required. Electronic versions of the form can be downloaded by visiting <http://www.hhs.gov/forms/hhs568.pdf>. If no inventions were conceived under this assistance award, a negative report is required. This statement may be included in a cover letter.

2. All other terms and conditions issued the original award remain effect throughough the budget period, unless changed in writing by the Grants Management Officer.

ADDITIONAL TERMS AND CONDITIONS OF AWARD Amendment One

1. NO COST EXTENSION

A.
