## STANDARD TERMS

### 1. Standard Terms and Conditions

This award is paid by DHHS Payment Management System (PMS). Please go to <u>http://www.dpm.psc.gov/</u> for payment and reporting information.

This award is subject to the requirements of Section 106 (g) of the Trafficking Victims Protection Act of 2000, as amended (22 U.S.C. 7104). For the full text of the award term, go to<u>http://www.acl.gov/Funding\_Opportunities/Grantee\_Info/Victims.aspx</u>.

Although consistent with the HHS GPS, any applicable statutory or regulatory requirements, including 45 CFR Part 75, directly apply to this award apart from any coverage in the HHS GPS. Also, the general provisions from "The Consolidated Appropriations Act, 2016," Pub. L. No 114-113, signed into law on Dec. 18, 2015, apply to this award and can be found on the ACL website: <u>http://www.acl.gov/Funding\_Opportunities/Grantee\_Info/Terms.aspx</u>

Initial expenditure of funds by the grantee constitutes acceptance of this award. Any future support is subject to the availability of funds and programmatic priorities.

Grantees are hereby given notice that the 48 CFR section 3.908, implementing section 828, entitled "Pilot Program for Enhancement of Contractor Whistleblower Protections," of the National Defense Authorization Act (NDAA) for Fiscal Year (FY) 2013 (Pub. L. 112-239, enacted January 2, 2013), applies to this award. The effective date is for all grants and contracts issued on or after July 1, 2013, through January 1, 2017.

#### **Salary Limitation**

The General Provisions in Division H, § 202, of the Consolidated Appropriations Act, 2017 (P.L. 115-31), includes provisions for a salary rate limitation. The law limits the salary amount that may be awarded and charged to ACL grants and cooperative agreements. Award funds may not be used to pay the salary of an individual at a rate in excess of Executive Level II. The Executive Level II salary of the Federal Executive Pay scale is \$187,000. This amount reflects an individual's base salary exclusive of fringe and any income that an individual may be permitted to earn outside of the duties to the applicant organization. This salary limitation also applies to subawards/subcontracts under an ACL grant or cooperative agreement. Note that these or other salary limitations will apply in FY 2017, as required by law.

## **DOMA:** Implementation of United States v. Windsor and Federal Recognition of Same-Sex Spouses/Marriages

References: United States v. Windsor, 133 S.Ct. 2675 (June 26, 2013); § 3 of the Defense of Marriage Act, codified at 1 USC § 7.

A standard term and condition of award will be included in the final Notice of Award (NoA) that states: "In any grant-related activity in which family, marital, or household considerations are, by statute or regulation, relevant for purposes of determining beneficiary eligibility or participation, grantees must treat same-sex spouses, marriages, and households on the same terms as opposite-sex spouses, marriages, and households, respectively. By "same-sex spouses," HHS means individuals of the same sex who have entered into marriages that are valid in the jurisdiction where performed, including any of the 50 states, the District of Columbia, or a U.S. territory or in a foreign country, regardless of whether or not the couple resides in a jurisdiction that recognizes same-sex marriage. "same-sex marriages," HHS means marriages between two individuals validly entered into in the jurisdiction where performed, including any of the 50 states, the District of Columbia, or a U.S. territory or in a foreign country, regardless of whether or not the couple resides in a jurisdiction that recognizes same-sex marriage. By "marriage," HHS does not mean registered domestic partnerships, civil unions or similar formal relationships recognized under the law of the jurisdiction of celebration as something other than a marriage."

### Federal Awardee Performance and Integrity Information System (FAPIIS)

If the total value of your currently active grants, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then you as the recipient during that period of time must maintain the currency of information reported to the System for Award Management (SAM) that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIIS)) about civil, criminal, or administrative proceedings described in paragraph 2 of this award term and condition. This is a statutory requirement under section 872 of Public Law 110-417, as amended (41 U.S.C. 2313). As required by section 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.

Grantees are required to submit annual financial status reports (SF 425), which are due 30 days following each twelve month reporting period. You must reconcile your cash accounts with your expenditures for the reporting period and submit a cumulative report each year. A final report is due 90 days after the expiration date of the project period and must reconcile with the final cash portion reported on line 10c.

The Federal Financial Accountability and Transparency Act (FFATA) requires data entry at the FFATA Subaward Reporting System located at <u>http://www.FSRS.gov</u> for all sub-awards and sub-contracts issued for \$25,000 or more as well as addressing executive compensation for both grantee and sub-award organizations. Additional guidance is located at: <u>http://www.acl.gov/Funding\_Opportunities/Grantee\_Info/FFATA.aspx</u>
