Administrative Conditions

1. Pursuant to EPA's annual Appropriations Act, the chief executive officer of this recipient agency shall require that no grant funds have been used to engage in lobbying of the Federal Government or in litigation against the United States unless authorized under existing law.

Recipient agrees to comply with the respective OMB Circular (A-21, A-87, or A-122), which prohibits the use of federal grant funds for litigation against the United States. Recipients subject to the requirements of 40 CFR Part 30 agree to comply with the respective OMB Circular (A-21 or A-122), which prohibits the use of Federal grant funds to participate in various forms of lobbying or other political activities.

2. Recipient agrees to comply with the Anti-Lobbying Act, Section 319 of Public Law 101-121, effective December 23, 1989.

Recipient acknowledges that if any expenditure is made as prohibited by the Act, that he shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such expenditure.

Recipient further acknowledges that failure to file or amend the disclosure form, if required, shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

Recipient also agrees to include in all solicitation documents the following:

"Sub recipients who request or receive from the grant recipient a subgrant, contract, or subcontract exceeding \$100,000, at any tier under a federal grant shall comply with the Anti-Lobbying Act, Section 319 of Public Law 101-121, and file an Anti-Lobbying Certification form, and the Disclosure of Lobbying Activities form, if required, to the next tier above."

3. **GENERAL COMPLIANCE, 40 CFR, Part 33** - The recipient agrees to comply with the requirements of EPA's Program for Utilization of Small, Minority and Women's Business Enterprises in procurement under assistance agreements, contained in 40 CFR, Part 33.

FAIR SHARE OBJECTIVES, 40 CFR, Part 33, Subpart D- A recipient must negotiate with the appropriate EPA award official, or his/her designee, fair share objectives for MBE and WBE (MBE/WBE) participation in procurement under the financial assistance agreements.

Accepting the Fair Share Objectives/Goals of Another Recipient -The dollar amount of this assistance agreement is \$250,000, or more; or the total dollar amount of all of the recipient's non-TAG assistance agreements from EPA in the current fiscal year is \$250,000, or more. The recipient accepts the applicable MBE/WBE fair share objectives/goals negotiated with EPA by the **Missouri Department of Natural Resources (MDNR)** as follows:

Missouri	MBE	WBE
Services	10%	5%
Supplies	10%	5%
Equipment	10%	5%
Construction	10%	5%

By signing this financial assistance agreement, the recipient is accepting the fair share objectives/goals stated above and attests to the fact that it is purchasing the same or similar construction, supplies, services and equipment, in the same or similar relevant geographic buying market as **MDNR**.

Negotiating Fair Share Objectives/Goals, 40 CFR, Section 33.404 - The recipient has the option to negotiate its own MBE/WBE fair share objectives/goals. If the recipient wishes to negotiate its own MBE/WBE fair share objectives/goals, the recipient agrees to submit proposed MBE/WBE objectives/goals based on an availability analysis, or disparity study, of qualified MBEs and WBEs in their relevant geographic buying market for construction, services, supplies and

equipment.

The submission of proposed fair share goals with the supporting analysis or disparity study means that the recipient is **not** accepting the fair share objectives/goals of another recipient. The recipient agrees to submit proposed fair share objectives/goals, together with the supporting availability analysis or disparity study, to the Regional MBE/WBE Coordinator within 120 days of its acceptance of the financial assistance award. EPA will respond to the proposed fair share objective/goals within 30 days of receiving the submission. If proposed fair share objective/goals are not received within the 120 day time frame, the recipient may not expend its EPA funds for procurements until the proposed fair share objective/goals are submitted.

SIX GOOD FAITH EFFORTS, 40 CFR, Part 33, Subpart C - Pursuant to 40 CFR, Section 33.301, the recipient agrees to make the following good faith efforts whenever procuring construction, equipment, services and supplies under an EPA financial assistance agreement, and to ensure that sub-recipients, loan recipients, and prime contractors also comply. Records documenting compliance with the six good faith efforts shall be retained:

- (a) Ensure DBEs are made aware of contracting opportunities to the fullest extent practicable through outreach and recruitment activities. For Indian Tribal, State and Local and Government recipients, this will include placing DBEs on solicitation lists and soliciting them whenever they are potential sources.
- (b) Make information on forthcoming opportunities available to DBEs and arrange time frames for contracts and establish delivery schedules, where the requirements permit, in a way that encourages and facilitates participation by DBEs in the competitive process. This includes, whenever possible, posting solicitations for bids or proposals for a minimum of 30 calendar days before the bid or proposal closing date.
- (c) Consider in the contracting process whether firms competing for large contracts could subcontract with DBEs. For Indian Tribal, State and local Government recipients, this will include dividing total requirements when economically feasible into smaller tasks or quantities to permit maximum participation by DBEs in the competitive process.
- (d) Encourage contracting with a consortium of DBEs when a contract is too large for one of these firms to handle individually.
- (e) Use the services and assistance of the SBA and the Minority Business Development Agency of the Department of Commerce.
- (f) If the prime contractor awards subcontracts, require the prime contractor to take the steps in paragraphs (a) through (e) of this section.

MBE/WBE REPORTING, 40 CFR, Part 33, Sections 33.502 and 33.503 - The recipient agrees to complete and submit EPA Form 5700-52A, "MBE/WBE Utilization Under Federal Grants, Cooperative Agreements and Interagency Agreements" beginning with the Federal fiscal year reporting period the recipient receives the award, and continuing until the project is completed. **Only procurements with certified MBE/WBEs are counted toward a recipient's MBE/WBE accomplishments.** The reports must be submitted **semiannually** for the periods ending March 31 and September 30.

The reports are due within 30 days of the end of the semiannual reporting periods (April 30 and October 30). Reports should be sent to ATTN: Grant Assistant. Final MBE/WBE reports must be submitted within 90 days after the project period of the grant ends. Your grant cannot be officially closed without all MBE/WBE reports.

CONTRACT ADMINISTRATION PROVISIONS, 40 CFR, Section 33.302 - The recipient agrees to comply with the contract administration provisions of 40 CFR, Section 33.302.

BIDDERS LIST, 40 CFR, Section 33.501(b) and (c) - Recipients of a Continuing Environmental

Program Grant or other annual reporting grant, agree to create and maintain a bidders list. Recipients of an EPA financial assistance agreement to capitalize a revolving loan fund also agree to require entities receiving identified loans to create and maintain a bidders list if the recipient of the loan is subject to, or chooses to follow, competitive bidding requirements. Please see 40 CFR, Section 33.501 (b) and (c) for specific requirements and exemptions.

4. Recipient agrees to fully comply with Subpart C of 2 CFR Part 180 and 2 CFR Part 1532, entitled "Responsibilities of Participants Regarding Transactions." Recipient must ensure that any lower tier covered transaction, as described in Subpart B of 2 CFR Part 180 and 2 CFR Part 1532, entitled "Covered Transactions," includes a term or condition requiring compliance with Subpart C. Recipient agrees to include a similar term or condition in any subsequent lower tier covered transactions. Recipient agrees that failing to disclose the required information in 2 CFR 180.335 may result in the delay or negation of this assistance agreement, or pursuance of legal remedies, including suspension and debarment.

5. The recipient agrees to an ongoing, good faith effort to maintain a drug-free work place pursuant to the specific requirements set forth in Title 40 CFR 36.200 - 36.230. Additionally, in accordance with these regulations, the recipient must identify all known workplaces under its federal awards, and keep this information on file during the performance of the award.

Recipients classified as individuals must comply with the drug-free provisions set forth in Title 40 CFR 36.300.

Details concerning violation of this condition may be found under Title 40 CFR 36.510.

6. Recipient agrees to submit the Federal Financial Report (FFR) form SF-425 to EPA no later than ninety (90) days after the end of the grant budget/project period. The EPA requires only the information requested on FFR lines 10a through 10o. A blank FFR is available for completion on the Las Vegas Finance Center's (LVFC) website: <http://www.epa.gov/ocfo/finservices/forms.htm>. **The Final FFR form SF-425 must be submitted to: U.S. EPA-Las Vegas FC, P.O. Box 98515, Las Vegas, NV 89193-8515.**

7. Recipient agrees to ensure that all space for conferences, meetings, conventions or training funded in whole or in part with Federal funds comply with the Hotel and Motel Fire Safety Act of 1990.

8. Recipient agrees management fees or similar charges in excess of the direct costs and approved indirect rates are not allowable. The term "management fees or similar charges" refers to expenses added to the direct costs in order to accumulate and reserve funds for ongoing business expenses, unforeseen liabilities, or for other similar costs which are not allowable under this assistance agreement. Management fees or similar charges may not be used to improve or expand the project funded under this agreement, except to the extent authorized as a direct cost of carrying out the scope of work.

This requirement does not apply to reports prepared on forms supplied by EPA, or to Standard Forms, which are printed on recycled paper and are available through the General Services Administration.

The Recipient agrees to follow the requirements set out in Section 6002 of the Resource Conservation and Recovery Act (RCRA) (42 U.S.C. 6962). RCRA Section 6002 that preference be given in procurement programs to the purchase of specific products containing recycled materials identified in the guidelines contained in 40 CFR 247.

AUGUST 2009

Each fiscal year, EPA awards about \$4 billion in grants, which constitutes more than one-half of the Agency's budget. On average, Region 7 awards more than \$210 million of these funds per fiscal year. This funding is a key mechanism with which EPA protects the environment and human health, in concert with states, local governments, tribes, educational institutions, and nonprofit organizations.

EPA's environmental statutes are the legal basis for funding assistance agreements. EPA's assistance agreement programs are listed in the Catalog of Federal Domestic Assistance (CFDA). Currently, there are more than 100 assistance programs listed. These programs can be viewed at: www.cfdpa.gov

HOW GRANTS ARE PROCESSED

It is the goal of Region 7's Grants Management Office to award all assistance agreements within 60 calendar days (90 days for Superfund awards). This time frame begins when the complete, formal application for assistance is received in the Grants Management Office. Once the application is accepted, it is reviewed and processed by the assigned Grant Specialist and Project Officer. Then, the award document is prepared and submitted to the Grants Management Officer for signature. Once signed, the grant enters a seven-day waiting period, during which time it is reviewed by the congressional office corresponding to the congressional district named on the application for assistance.

When congressional notification is complete, the award is packaged and sent to the recipient for review and acceptance, requiring the signature of the organization's authorized representative. (The recipient will not be notified of the award until congressional notification has passed.) Finally, the countersigned grant award document is returned to EPA Region 7 where the grant is finalized.

During the recipient's review and acceptance period, EPA's Las Vegas Financial Center will simultaneously send accounting and payment information for the grant. Any questions concerning such activity should be directed to the Las Vegas contact located in the REGION 7 CONTACTS section of this brochure.

IMPORTANT INFORMATION ON MANAGING YOUR GRANT

Understanding the terms and conditions (T&Cs) of the grant agreement and maintaining contact with your Grant Specialist and Project Officer are the most crucial aspects of proper grant management.

Read the terms and conditions of your grant before signing the grant award agreement. The T&Cs detail what is required during the life of the grant, including important information about **reporting requirements** and their **respective due dates**. In particular, be sure to check reporting requirements for Minority/Women Business Enterprise Utilization reports, Financial reports, and Program Progress reports.

There are two types of terms and conditions: administrative and programmatic. Questions about administrative T&Cs should be directed to the Grant Specialist. Questions about programmatic T&Cs should be directed to the Project Officer. The Grant Specialist and Project Officer for your grant will be identified on the front page of your grant award agreement.

GRANT REFERENCES AND STATUTES

The terms and conditions of your award are direct requirements under the statute(s), section(s) of the Code of Federal Regulations (CFR), Title 40, and any program guidance applicable to the grant.
