HIGHLIGHTS

MISSOURI PUBLIC HEALTH ASSOCIATION (MPHA) -- Seeking Nominees for Board of Directors

The Missouri Public Health Association (MPHA), the longest-serving voluntary public health organization in the State of MO, is seeking nominees for upcoming vacancies on its Board of Directors. This is an opportunity to serve in a leadership position as the organization celebrates its 100th anniversary in 2025. This organization has a long history of collaboration with public health agencies in the state to advocate for effective health policy and to lead efforts in reducing preventable disease and disability. If you wish to serve, please send a brief (2-3 paragraph) bio to Bert Malone, Chair, MPHA Nominating Committee, indicating your interest and why you feel you would be an asset to the organization. Send to: Bert.Malone923@gmail.com and copy to Sandy Boeckman, Exec Director, sboeckman@mopha.org.

THERE'S AN ECHO FOR YOU! -- ECHO (Extension for Community Healthcare Outcomes)

Do you wish you could consult an expert or ask a specialist about something going on in your practice? Are you struggling with access to knowledge resources and solutions to unique community issues? Are you looking to deepen your practice and apply latest research trends? Do you want to provide exceptional care for patients in their home community? Then there is an ECHO for you! ECHO is a knowledge-sharing network that uses videoconferencing technology to create communities of learning where subject matter specialists share expertise with community providers. Participants bring their own cases and experiences for learning and discussion. In this "all teach, all learn" model, everyone benefits from a community committed to cycles of knowledge-sharing, best practices, and positive impact. Show-Me ECHO builds learning collaboratives so professionals can confidently provide exceptional care in their own communities. With over 30 topics (including adult psychology, pediatric sleep, oral health, and even chronic conditions—such as diabetes, hepatitis C, and kidney disease), Show-Me ECHO facilitates efforts to provide equitable access and exceptional care to rural and underserved Missourians. Through these **FREE** interactive sessions, participants are invited to acquire new skills in addition to building professional partnerships and ongoing mentoring. Many ECHOs also offer **FREE** continuing education credits for qualifying professionals. To learn more about the various ECHO topics, visit: SHOWMEECHO.ORG!

MEETINGS, CONFERENCES, AND TRAININGS

State Emergency Management Agency (SEMA) Upcoming Courses

Please click: [here](#) to view upcoming courses being offered by the State Emergency Management Agency (SEMA) along with their registration status. This section contains courses that have a target audience that includes Public Health, Medical (Hospital) or Healthcare.

Heartland Center at Saint Louis University -- Population Health Management Webinar

The Heartland Center at Saint Louis University is proud to present Population Health Management. The Why. How. What. Strategies for High Quality Patient Care. Angela Herman-Nestor will host the webinar April 24 from 12:00-1:00 pm.

As a result of attending, participants will:

- Understand the importance of addressing social drivers/determinants of health (SDOH) to improve comprehensive equitable health care and learn tactics to improve staff awareness with SDOH work.
- Define population health and explain different conceptualizations of population health and health equity.
- Describe strategies for how the six components of population health support high quality patient centered care and achievement of the Quintuple Aim.

Please see [flyer](#) for more information.

Up to 1 CPH Recertification Credit may be earned by attending this event.

safeTALK and Conversations for Suicide Safer Homes Workshop — Presented by Columbia/Boone County Public Health and Human Services – May 3

Columbia/Boone County Public Health and Human Services would like to invite you to safeTALK and Conversations for Safer Homes Workshop. This one-day event combines two programs that will help participants recognize a person who may be having thoughts of suicide and create suicide safe environments when someone is experiencing thoughts of suicide. This FREE training will be held at Columbia/Boone County Public Health and Human Services on Friday, May 3 from 9 am – 3 pm. Lunch will be provided and registration is required. For more information see [flyer](#).

To register, please click here: <https://forms.gle/quDDZaZXYHgK7fd78>.

Missouri Coalition for Oral Health Webinar: The Role of Local Public Health in Community Water Fluoridation – May 3, 12-1:30 pm

The Missouri Coalition for Oral Health, in collaboration with the Office of Dental Health, presents The Role of Local Public Health in Community Water Fluoridation. This webinar will provide local public health agencies with an overview of community water, its prevalence in Missouri, and tips and tricks for supporting water fluoridation efforts.

Please click: [here](#) for registration and more information.

Learning Objectives:

1. Upon completion of the webinar, participants will have an increased knowledge of community water fluoridation practices in Missouri.
2. Upon completion of the webinar, participants will increase awareness of fluoridation activities across Missouri.
3. Upon completion of the webinar, participants will be equipped with tools and tactics for discussing community water fluoridation with community members.

A Beginner's Guide to CHA/CHIP/Strategic Planning: May 13 | 10:00 - 11:30 AM CT | Virtual

Perfect for newcomers or those seeking a refresher, you'll learn the essentials of these interconnected plans through interactive discussions and practical exercises. This session is your guide to crafting a sustainable community health improvement strategy and kickstarting your accreditation journey. Email: accreditation@mocphe.org with questions. [\[Register Here\]](#).

Tobacco Treatment Specialist Training — June 2-5 – In Person – Columbia, MO

The application deadline is April 15. People from many disciplines can benefit from this training, including nurses, doctors, respiratory therapists, and other clinical professionals; pharmacists; dental professionals; community health workers; staff from community-based organizations; substance use disorder and behavioral health counselors; and others. The training is fully accredited by The Council for Tobacco Treatment Training Programs (CTTTP). It provides a comprehensive approach for individuals to learn the core competencies necessary to apply for the National Certificate in Tobacco Treatment Practice (NCTTP). Each training is limited to 20 attendees.

Visit: <https://tobaccofree.missouri.edu/tts-training/> to complete an application and find additional information, or see the [flyer](#) for additional information. Please email: quitnow@health.missouri.edu with any questions.

Readiness Assessment Training for Missouri Local Public Health Agencies

Join PHAB to learn more about the PHAB Readiness Assessment process, including an overview of the assessment, approaches to completing the assessment, and its benefits. To register go to: <https://phaboard.org/accreditation-recognition/getting-started/>.

Current dates available include:

- April 17 from 2:00 pm-3:30 pm
- June 25 from 1:00 pm-2:30 pm
- August 28 from 2:00 pm-3:30 pm

Please contact: educationservices@phaboard.org with any questions. MO LPHAs can receive incentive credit by attending PHAB Readiness Assessment training. To receive credit please forward the PHAB Training Follow-up email received after the training to: incentivefundingsubmissions@health.mo.gov.

Becoming Trauma-Responsive: Regional Round Table Institute

We would like to extend an invitation to a forthcoming training which Christin Simpson, FNP-C, our Director of Training and Technical Assistance, is leading in collaboration with the Missouri Hospital Association see [flyer](#). The training is tailored to provide a comprehensive half-day workshop on trauma-informed approaches, with a specific focus on maternal child health. The workshop is designed to equip attendees with the knowledge and skills required to address the diverse needs of maternal child health populations, particularly those affected by trauma. The workshop will begin at 9 am and end at 3 pm. I kindly encourage you to share this invitation with other interested individuals or organizations. Registration is required. Please click: [here](#) to register in a region near you.

In-Person Regional Lead Case Management Training

The Missouri Department of Health and Senior Services' Childhood Lead Poisoning Prevention Program is hosting an in-person training for lead case management. The training will be held on Thursday, May 9 from 9:00 am to 1:00 pm at the Wildwood Complex in Jefferson City, MO. The training will cover the basics of lead poisoning, testing requirements, case management, and more. There will NOT be a virtual option for this date. If you would like to sign up for this training, please contact Maggie Burns at maggie.burns@health.mo.gov for more information.

MOCPHE Accreditation Cohorts | Beginning May & June | Virtual

We're excited to announce three new accreditation cohorts starting in May and June this year. Whether you're new to accreditation or seeking reaccreditation, there's a cohort for you. The CHA/CHIP Cohort will focus on developing or updating CHA/CHIP documents. The Strategic Planning Cohort will help LPHAs craft effective strategic plans. For those seeking PHAB Reaccreditation, this cohort will dive into the specifics. View the [flyer](#) to sign up by April 12 to help shape the meeting times. Don't miss the chance to elevate your organization's accreditation journey! For more information, email: accreditation@mocphe.org.

LPHA New Administrator Orientation — July 10-July 11

We are gearing up for our New Administrator Orientation and we hope you can join us for the big event in Jefferson City at the Courtyard by Marriott on July 10 and July 11! As always you don't have to be new to join us! We love having our seasoned LPHA's join us as well! Seasoned LPHAs, your knowledge, stories, and expertise are vital to what makes this training successful. It is a great way to get to know and welcome your new colleagues!

HOTEL ACCOMODATIONS: Like our orientations in the past, we **WILL** pay for your hotel room cost on July 9 and 10.

MEALS: We will provide lunch on July 10 **AND** breakfast and lunch on July 11.

PLEASE NOTE: We do **NOT** provide dinner at the conclusion of day one, July 10, but we do like to get everyone together as a group to go out to dinner and visit. This is our networking time and other staff from DHSS join us for dinner. It is always a great time with lots of laughs and we encourage you to come!

DAY 1 – Wednesday, July 10 - This day starts early with an **OPTIONAL** tour of the Missouri State Public Health Lab at 10:00 am, but please arrive no later than 9:45 am for check-in as there is a special security procedure you will need to go through. If you have never been on a tour of the lab, I highly recommend it as our SPHL is truly something special! If you opt out of the SPHL tour, the day will start at the hotel at 12:30 pm. Reminder...you don't have to worry about lunch, we promise we will feed you when you arrive at the hotel!

DAY 2 – Thursday, July 11- On this day, breakfast will be served starting at 7:30 am and the first session will start at 8:00 am and ending time is tentatively set for 2:30 pm.

Please register using the following link: https://missouriwic.iad1.qualtrics.com/jfe/form/SV_4Nq7RRiKLQURQDI.

Registration will close on May 31. As soon as registration closes, we will send out a confirmation email on June 3 and you will have 3 days to respond to confirm your attendance. The agenda and additional information will be sent out soon! If you have any questions or concerns, please email Jennifer Harrison at: jennifer.harrison@health.mo.gov.

LPHA JOB OPPORTUNITIES
