1. AIM STATEMENT	2. PLAN	3. DO
<p>By June 1, 2019, Randolph County Health Department HFMoHV, will increase opportunities for group activities/ meetings by planning 2 group meetings with 25% attendance, beginning December 12, 2018. Team Leader is Betsy White.</p>	<p>Family Support Specialist and Supervisor will organize and plan a holiday party in December and a group meeting in spring to encourage socialization and interaction with families in a guided and relaxed atmosphere.</p>	<p>Randolph County Healthy Families staff will offer two group meetings by June 1, 2019. One will be offered in December, as a holiday party with crafts, food and games. Another will be offered in spring with an emphasis on reading with free books and lunch to parents that attend. We are hoping for 25% in attendance for each meeting.</p>
4. STUDY	5. ACT	6. FUTURE CQI
<p>Attendance will be evaluated if 25% is not met as to what we can do to make the meeting more attended. We can offer at a different time of day, day of week or have a different topic.</p>	<p>Randolph County Healthy Families staff offered two group meetings. One was offered on December 18, 2018, as a holiday party with crafts, food and games. 8/16 families were represented. (50%) Another was offered on April 30, 2019. This group gathering was focused on reading to their children, with free books and lunch offerings. 5/12 families were represented. (42%)</p>	<p>Randolph County Health Department will continue to offer two group opportunities each year, if funding allows. If funding is not available, we will continue to partner with community opportunities to offer families socialization experiences.</p>
