SCHOOL NURSE SURVIVAL TRAINING XXI

CONNECTING WITH THE COMMUNITY

A two-day conference for
school/community health care providers

Thursday, July 26 and Friday, July 27, 2018

Missouri Baptist Medical Center
Clinical Learning Institute

#schoolnurse18

CONNECTING WITH THE COMMUNITY

This two day conference is offered to school nurses and other community oriented health professionals that are interested in learning about new and current health information for school-aged children. Each participant will receive speaker materials, Midwest Multistate Division contact hours if attending both days, continental breakfast and lunch.

Missouri Baptist Medical Center is an approved provider of continuing nursing education by the Midwest Multistate Division, an accredited approver by the American Nurse Credentialing Center's Commission on Accreditation.

Registration fee will be \$65, even if you can only attend one day of the conference.

TO REGISTER:

For further information or questions, please call Diana Wilhold at 314-286-0431 or the BJC School Program Line at 314-286-0460.

To download School Nurse Survival Training XXI brochure and register online, go to bjcschooloutreach.org/schoolnurse.

Payment can be made online, by check or money order and must be sent prior to the deadline to secure your registration.

Payment must be received by Friday, July 20, 2018.

7:15 – 8 a.m.

Registration/Continental Breakfast

8 – 8:20 a.m.

Welcome, Overview and Purpose

8:30 – 11:30 a.m.

Clinical Lab Skills Assessment (*Limited to 50 participants*)

Participants will rotate through five skills stations learning quick tips and refresher skills on asthma management, concussion assessment, trach care, picc-lines and orthopedic assessment.

8:30 – 10:30 a.m.

Stop the Bleed!

This session will provide hands on learning about the Stop the Bleed Campaign led by the American College of Surgeons Committee on Trauma. Basic training in Bleeding Control principles and skill development will be practiced.

10:30 – 11:30 a.m.

Bed Bugs: A Growing Concern

Bedbug infestations have increased significantly during the past two decades. Learn how to identify bedbugs, keep them out of your home, and properly treat infestations.

11:30 a.m. – 12:10 p.m.

Lunch

12:15 – 2 p.m.

Understanding Obesity: Evidence-Based Practices for Prevention and Management

This widespread health concern has gained national attention from health leaders and educators. The session will address current research and best medical and environmental practices that are being used to reduce and manage obesity, as well as its consequences (e.g., stigma—bullying).

2 – 3:15 p.m.

Legal Issues and What You Need to Know

Each year new policies are developed that make their way into law. The presenter will address any new laws pertinent to nurses working in the school setting, including the Family Educational Rights and Privacy Act (FERPA) and Missouri state law.

3:15 – 3:30 p.m.

Closing remarks/Evaluations

7:15 – 8 a.m.

Registration/Continental Breakfast

8 – 8:15 a.m.

Welcome and Purpose

8:15 – 9:30 a.m.

Epilepsy: Update on Pediatric Epilepsy

This session will provide a refresher on various epilepsies and current therapeutic treatments and techniques in caring for the epileptic child in a school setting.

9:30 – 10:45 a.m.

The Dangers of Minimizing the Harm

Whether you are using legal or illegal substances the developing brain is being harmed. Presenter will share the impact substances have on the developing brain and why it's important to keep the conversations open.

10:45 – 11:45 a.m.

Human Trafficking: Challenges in Missouri

Learn what you need to know to identify individuals and families impacted by human trafficking.

11:45 a.m. – 1 p.m.

Lunch and Community Resources

1 – 2 p.m.

Identifying Urgent Dental Care

Injury to a mouth can often look very serious when they are not. This session will help you identify when a mouth injury is urgent, non-urgent or an emergency.

2 – 3:15 p.m.

Self-Care: The critical skill many nurses are missing

This session will define self-care and identify why it is critical to the nursing skill set and how to incorporate self-care in their life and nursing practice. This hands on session will provide participants the opportunity to learn and practice self-caring techniques.

3:15 – 3:30 p.m.

Closing Remarks/Evaluations
