

# USAnaphylaxis™

## SUMMIT 2016

**October 7**  
Green Valley Ranch Resort,  
Spa and Casino  
**Henderson/Las Vegas, NV**

**September 23**  
Hyatt Regency  
St. Louis at The Arch  
**St. Louis, MO**

**September 30**  
Disney's BoardWalk  
**Orlando, FL**

Join us in sharing resources, strategies and experiences at these one-day regional events – working together to build a strong community-based anaphylaxis network.

### Who should attend:

- Allergy and asthma physicians, nurses and educators
- School nurses, psychologists, nutritionists, social workers and administrators
- Patients and caregivers
- Emergency department staff and first responders
- Pediatric and primary healthcare providers, pharmacists and other community stakeholders

### This year's topics include:

- Risk-Taking Behavior in Adolescents and College Students with Life-Threatening Allergies
- School Food Allergy and Anaphylaxis Management for Pediatricians
- Strategies for Emergency Anaphylaxis Care
- Going National with a Regional Food Allergy Management & Education (FAME) Program
- Farm to Table: Food and Latex Allergies
- Anaphylaxis Research
- Anaphylaxis Legislation
- Counteracting Unintended Consequences of High Deductible Health Plans

The interactive format will consist of presentations and roundtable discussions.

### Register today!

**No cost to participate in the conference.**
