

# **Missouri WIC Program Privacy Policy**

**Because your privacy is important to us, the use of cameras and other recording devices is restricted.**

**If you desire to have your visit recorded by family members or others, you may request permission to do so from a member of our management.**

**Cameras or other recording equipment utilized by clients or their families must be hand held, must not interfere with clinic services, and must not invade the privacy of other clients. The use of power cords, tripods or external light sources will not be allowed.**

**Photographing or recording is not allowed without prior permission. Anyone who violates this policy will be asked to leave the agency.**

**This institution is an equal opportunity provider.**
