

License to *Breastfeed*

Missouri Law:

A mother may, with as much discretion as possible, breastfeed her child in any public or private location where the mother is otherwise authorized to be.

RSMo. 191.918

Compliments to YOU!

- *By breastfeeding in public, you are promoting breastfeeding as the normal and healthiest way to feed an infant.*
- *If someone asks you to stop breastfeeding in public, give them this card to inform them about Missouri's law on breastfeeding.*
