

**“I never thought I’d need to call 911...until I thought my co-worker was having a stroke.**

**The doctor said that call saved his life.”**

**Trauma • Stroke • Heart Attack**

With Missouri’s new Time Critical Diagnosis System, emergency care starts the minute you call 911. The system brings together 911, emergency medical responders and hospitals in a new way to provide a quicker response and higher-quality care for trauma, stroke and heart attack.

**Minutes matter. Call 911.**
