

# AGENDA

## Time Critical Diagnosis-Trauma System Task Force Meeting February 25, 2009

**Location:** Rickman Conference Center, 3519 Bennett Lane, Jefferson City

**Please review the following documents on the Department's website and be ready for discussion:**

- 1) Revised Draft Proposed Regulations for Level IV Trauma Centers
- 2) Revised Draft Trauma Classification Criteria
- 3) Revised Draft Field Triage Protocol. FYI: Copies of other Field Triage Protocols are included on the website for comparison to the proposed composite

Review documents posted on Department website, February 25, 2009 Meeting  
[http://www.dhss.mo.gov/TCD\\_System/TaskForce.html](http://www.dhss.mo.gov/TCD_System/TaskForce.html)

---

---

**9:00-9:30 a.m.      Steering Committee**

**Registration and Coffee**

---

---

**9:30-9:45 a.m.**

**Welcome**

Overview of the Task Force's accomplishments and today's meeting outcomes.

---

---

**9:45-11:00 a.m.**

**Task Force-Data Systems Overview**

Gain an understanding of the data systems available to support the Task Force's decisions—the Trauma System Registry and the required reporting database MoSTORM

- Missouri Data                      Mark Van Tuinen, PhD, Bureau of Health Information
  - MOSTORM                              Shirley Gastler, Bureau of EMS
- 
- 

**11:00-11:15 a.m.**

**Break**

---

---

**11:15 11:30 a.m.**

**Task Force-Overview of Level IV Centers Proposed Regulations**

***19 CSR 30-40.410 Definitions and Abbreviations Relating to Trauma Centers***

***19 CSR 30-40.440 Trauma Center Designation Requirements***

***19 CSR 30-40.450 Standards for Level IV Trauma Center Designation***

---

---

**11:30 a.m.-Noon**

**Regional Discussions**

Review recommendation(s) and proposed action to establish level IV centers

1. What role do small hospitals play in this system?
  2. Do the proposed regulations outline the criteria your region believes are appropriate for Level IV centers? Provide detail for those criteria to be added, deleted, or modified.
  3. Does your region support Region IV regulations as discussed?
  4. What supports will out-of-hospital services need to assure that trauma patients are transferred to appropriate center level if add level IV centers.
  5. What incentives could be created to increase the number of hospitals that participate in the system as a Level IV Center?
- 
-

## **AGENDA—Time Critical Diagnosis-Trauma System**

February 25, 2009

Page 2

---

**Noon-12:30 p.m. Working Lunch**

---

**12:30-1:00 p.m. Task Force-Regional Committee Reports and Finalize Level IV Center Regulations and Recommendations**

---

**1:00-1:15 p.m. Task Force-Common Classification and Field Triage Overview Early Helicopter Launch Protocols**

---

**1:15-1:45 p.m. Regional Discussions**

1. What modifications does your region propose for the draft classification criteria?
  2. What strategies should be used to facilitate the adoption at the common classification scheme framework?
  3. What modifications does your region propose for the field triage protocol?
  4. What strategies should be used to facilitate the adoption of the common protocols?
  5. Any recommendations for Early Helicopter Launch Protocols?
  6. Is there a role for a consortium model for helicopter dispatch?
- 

**1:45-2:00 p.m. Task Force-Regional Reports on Common Classification and Field Triage**

Regional reports and discussion to finalize recommendation

---

**2:00-2:15 p.m. Task Force—On-and Off-line Medical Control, Pre-Arrival Instructions and Emergency Medical Dispatch**

---

**2:15-2:45 p.m. Regional Discussions**

1. What is needed to make on-line medical control more effective?
  2. What is needed to make off-line medical control more effective?
  3. What additional actions should the Task Force recommend to improve PAI and EMD in Missouri?
- 

**2:45-3:00 p.m. Task Force—Regional Report and Recommendations for Medical Control**

---

**3:00-3:30 p.m. Next Steps**

- Agenda items for March and May meetings.
- Work groups for injury specific field triage and transfer protocols.
- ACS-COT Trauma System Review Meeting, June 22-25, 2009
- Final Report with Recommendations
