

# FELICIA THE FISH says

You can't keep your baby in a fish bowl!

## Information for Parents

You want to do what is best for your children. You know the importance of car seats, baby gates and other ways to keep them safe. But did you know immunizing your child is one of the best ways to protect your child from serious disease? Call your child's medical provider to verify your child's immunizations are up-to-date.
