CHAPTER Chapter 5. Requirements of Management			SUBJECT Documenting Net Child Care Income			

Child care home providers claiming their own children's meals for reimbursement should be advised to document net child care income on a monthly basis to verify that the provider's own child(ren) is/are eligible for free or reduced price meals, or to substantiate the provider's income for Tier I eligibility. If cost records are not maintained, the complete CACFP reimbursement must be counted as income for eligibility purposes.
