**Missouri Emergency Medical Services for Children
EMS Instructor Scholarship Program Application**

The MO Emergency Medical Services for Children (EMSC) Grant provides funding for EMS professionals from across the state, to receive scholarship awards toward completion of an approved EMS Instructor program that meets National EMS Education Standards. Individuals may apply via their Regional EMS Committees who, along with the EMSC Advisory Committee, will review qualifications and then make recommendation for award of the scholarship.

The goal of the EMSC EMS Instructor program is to develop a broader base of EMS Professional Educators who can participate in and develop programs, related to Pediatric emergency care in rural and underserved areas of our state.

Applicant's Name/Licensure level and number

Date

Applicant's EMS affiliation/service

Phone number

e mail address

Home Address and City

EMS Instructor Program you wish to attend (if known)

Briefly describe why you wish to become and EMS educator and how you will apply your training

Healthy Missourians for life.

The Missouri Department of Health and Senior Services will be the leader in promoting, protecting and partnering for health.

AN EQUAL OPPORTUNITY / AFFIRMATIVE ACTION EMPLOYER: Services provided on a nondiscriminatory basis.

Missouri Emergency Medical Services for Children
EMS Instructor Scholarship Program

The Missouri EMS for Children Grant has budgeted funds to facilitate Education and Training for EMS professionals from across the state to receive EMS Instructor status. This effort will increase the number of individuals in all parts of the state, especially rural underserved areas, who will be able to develop and present all types of EMS educational offerings but particularly pediatric related content. This sustainable program will benefit EMS for many years to come and increase the number and quality of Pediatric Educational programs while increasing the number of EMS clinicians receiving Pediatric education.

Missouri EMSC will award a Scholarship toward the cost of EMS Instructor training to 10 individuals annually for the period of the current EMSC Grant. The maximum dollar amount of each individual scholarship will be \$380.00 and will be awarded and paid on a reimbursement basis. Individuals who receive the scholarship will be responsible for obtaining the training, successfully completing such, and providing proof of completion along with a request or invoice for reimbursement. EMS Instructor training may be in the form of classroom education or via a web based program. All EMS Instructor Scholarship submission will be approved by the EMSC Advisory Committee and the Bureau of EMS (Grant Administrators) only if the EMS Instructor training is a recognized program such as the National EMS Educators Association EMS Instructor Course.

Steps to obtain the EMS Instructor Scholarship are as follows;

1. Complete the EMS Instructor Scholarship Application; attach your current CV and 2 letters of recommendation.
2. Forward your application to the Regional EMS Committee for your area.
3. Once selected, choose the EMS Instructor training program, location, dates etc and forward that to the EMSC Advisory Committee member in your Region and the EMSC Grant Manager for review and approval.
4. Schedule your EMS Instructor training.
5. On successful completion, submit your certificate and written request for reimbursement to your Regional EMSC Advisory Committee member. If your agency paid for your program then that EMS Service will need to prepare an invoice for reimbursement. All requests for reimbursements, whether to individuals or Agencies, will need to be addressed to:

Missouri Department of Health and Senior Services
Bureau of EMS
EMSC Grant
PO Box 570
Jefferson City, MO. 65102

Please email completed form to Your Regional EMS Committee Chair and to the Missouri EMSC Program Manager:
