IN YOUR HOME HEALTH AGENCY
IMPORTANT OASIS INFORMATION**

On July 25, 2014 CMS published a Survey & Certification Letter (S&C: 14-40-HHA) informing the state, as well as home health providers, about the upcoming OASIS-C1/ICD9 Webinar that will be available to view on September 3, 2014 from 1:00 – 2:30 PM Central Time. Please find attached and SHARE the following documents with all of your clinical staff:

- S&C: 14-40-HHA
- OASIS C1/ICD9 Version Data Set
- OASIS C1 Newly Revised Chapter 3
- OASIS C1 Newly Revised Category 1-4 Q&As
-

As CMS states in the S&C, they are recommending that home health providers review the OASIS C1/ICD 9 Version Chapter 3 and OASIS Data Set **prior to the webinar** and submit any questions you may have to CM. This will give CMS the opportunity to answer your questions and incorporate them in to the training on September 3rd. There will not be an opportunity for questions and answers during the webinar.
