PROGRAM MANAGEMENT REPORTS

The OMB approved Program Report form for this program is Performance Progress Report (PPR). Semi-annual narrative program performance reports must describe the program activities carried out, including an assessment of the effectiveness of those activities in achieving the purposes of this grant. Each report covers the preceding 6-month period and is due 30 days following the end of the 2nd and 4th quarters (i.e., no later than April 30 and October 30, respectively). Electronic online program management report submission through GrantSolutions/OLDC is required.

All recipients and sub-recipient(s), including their implementation sites, will be required to collect and report information on program implementation and program outcomes through a common set of performance measures. This requirement applies to any community partners who agree to host a site or recruit program participants (e.g., school districts, non-profits). SRAE performance measures will be distributed to funded recipients, who will be required to collect and report on these measures approximately twice a year. ACF has defined measures at the recipient, provider, and program levels.

Recipients will be expected to check local and state laws, policies, and procedures to ensure that the collection of performance measures data is feasible and obtain any necessary permissions (e.g., formal agreements with partners, Institutional Review Board (IRB) approval, copies of school district approvals) to collect these data. Recipients are responsible for ensuring all subrecipients and implementation sites collect and submit the SRAE performance measures. Recipients may develop additional indicators of program performance, as needed, including adding items to the entry or exit surveys. However, all FYSB OMB-approved items must be administered first, in the order presented in the approved survey, before any additional items are added. Any additional survey items should be added at the end of the OMB-approved survey and should not be submitted to ACF.
