

# Provider Reassessor Bulletin

February 2023

Monthly Bulletins are your one-stop-shop for all last month's highlights!

## Quick Tips

- To save a little time during face-to-face assessments, documentation of all forms is not required as the uploaded forms indicate they were reviewed and understood.
- RCF/ALF Reminder: Clean up time can be given for cleaning the nebulizer machine, as well as steadying a participant's hand during administration. Documentation should include why the participant needs the assistance requested, along with justification for the time allotted.

### Utilizing Cyber Access

- If adjustments are made to the interRAI coding after the assessment has been submitted, please be sure to click "Yes" when the box asks if you want to recalculate LOC in Section T and click save. If you do not click "Yes" and "Save", the overall LOC score will not update and may impact a participant's eligibility for HCBS.

### Review Tool Updates

- Updates were made to the Review Tool that will allow for easier identification of items requiring remediation is needed. areas.
