Connect people to the Alzheimer's Association online for help and assistance by using the Direct Connect Rapid Referral Form.

Rapid Referral is an easy way to link families to the Alzheimer's Association St. Louis Chapter to receive disease education, caregiver support, early stage programs, and customized action plans.

## Dementia impacts each family differently.

Connecting to the Alzheimer's Association provides individuals with Alzheimer's or a related dementia and their friends and families with an individualized plan and the tools necessary to better manage the journey.

If you are concerned about the memory of someone, please fill out the Direct Connect Rapid Referral Form at [alz.org/stl/referral](http://alz.org/stl/referral).
