

EMERGENCY RESPONSE IDENTIFICATION AND INFORMATION

The Service Coordinator will offer assistance to all participants/families that are enrolled in the Adult Brain Injury Program to establish an Emergency Response Plan.

Emergency management and response materials/publications should be given to each participant/family. The Service Coordinator will offer assistance with the completion of an emergency management plan. The plan will be reviewed with the participant/family annually.

When an emergency such as a natural disaster or terrorism event occurs, the Service Coordinator shall contact participants/families whose care may have been compromised as soon as possible, after the event to assess for unmet needs. The contact may be by phone or in-person and shall be documented in the SHS Information System.
