2. A summary of the proposed rule (*a concise statement not exceeding 100 words using language neither intentionally argumentative nor likely to create prejudice either for or against the proposed rule*). (*Word format.*)

**This amendment clarifies the information necessary to be included with applications for J-1 Visa Waivers for physicians, as required by the United States Department of State, J1-Visa Program. This amendment authorizes the use of electronic submission for J1-Visa applications and sets forth the requirement to verify the receipt of such submissions by the applicant to the department. This amendment requires physicians who received waivers under this program to provide employment verification within thirty days after the department requests such verification, which will occur at least once per calendar year. It also amends the rule that regulates J-1 Visa Waiver Selections.**
