

# Maries County Opioids Fact Sheet

Spring 2019

**6 FATAL** opioid overdoses in 2017-2018

The **Enhanced State Opioid Overdose Surveillance (ESOOS)** grant was awarded to the Missouri Department of Health and Senior Services (MODHSS) to accomplish key goals:

--enhance the comprehensiveness and timeliness of both fatal and nonfatal opioid overdoses and ;

--disseminate surveillance findings to stakeholders.

If you or a loved one has a problem with alcohol or drugs, please call:

## Nonfatal Opioid Overdose Health Care Utilization

January 2017- June 2018

Above: In Maries County, 10 of 13 resident nonfatal opioid overdose discharges treated in the hospital or ER involved non-heroin opioids (77%) and not heroin. In Maries County, most of the people discharged from the ER with nonfatal overdoses were male (67%) and more than half (67%) were between the ages of 15-24.

Below: When fatal overdoses occur in Maries County, they most often occur in a house or apartment (100%).

## Fatal Overdose Location

January 2014- December 2018

House, apartment (100%)

## Fatal Opioid Overdose Characteristics and Risk Factors

January 2014- December 2018

In Maries County, the majority of those who fatally overdose are White. Greater than 1 in 2 victims were between the ages of 25 and 34. Women had slightly greater likelihood of experiencing a fatal overdose in Maries County. Many local opioid overdose victims earned a high school equivalency and several had occupations involving physical labor or currently or previously served in the military.

This data sheet provides the most timely data available for each topic, meaning data is subject to change and time periods for different variables may not align. This data uses ESOOS specific definitions for opioid overdose, which may result in frequencies that do not match other data sources.

Please contact the Missouri Department of Health and Senior Services, Bureau of Health Care Analysis and Data Dissemination at 573-751-6285 for more information or to request a fact sheet for your community.
