Upon recommendation of the officers of the Missouri Board of Nursing Home Administrators, temporary emergency license extensions may be issued for up to ninety (90) days. The extension may only be considered upon a showing that the person seeking the renewal of a temporary emergency license meets the qualifications for licensure and has filed an application for a regular license, accompanied by the application fee **and the application has taken the examination or examinations but the results have not been received by the board.** No temporary emergency license may be renewed more than one (1) time.

TEMPORARY EMERGENCY LICENSE EXTENSION IS REQUESTED FOR \_\_\_\_\_ DAYS (MAY BE REQUESTED FOR UP TO 90 DAYS).

We, the undersigned, confirm with our signatures that the information herein is complete and accurate to the best of our knowledge. It is understood that the Missouri Board of Nursing Home Administrators may NOT issue the extension and that, if issued, it may be issued for fewer than the maximum ninety (90) days.

Pursuant to Chapter 344.020., RSMo. no person shall act or serve as a nursing home administrator without a license. To do so is a violation of Chapter 344. RSMo. and can result in the denial of the application for licensure. Therefore, if your extension application is denied by the Board, and you continue to serve as the administrator at this facility, it may result in the denial of issuing the regular administrator license.
