RE: License Renewal Changes for 2021 and 2022 Renewals

In response to the COVID-19 situation, the Missouri Board of Nursing Home Administrators (MBNHA) recognizes the need for Missouri administrators to have flexibility in completing the required CE clock hours for the 2021 and 2022 license renewals. Administrators that are due to renew their license by June 30, 2021 or June 30, 2022, have the option to complete any and/or all CE clock hours online through a MBNHA approved training agency or approved by NAB/NCERS.

Please note:

- This notice does not pertain to any future renewal cycles. This only pertains to those administrators with license expiration dates of June 30, 2021 or June 30, 2022. Payment options and submission criteria of a current or late renewal are found on our website at <http://health.mo.gov/bnha> and select NHA or RCAL License Renewal.
- Visit our website at <http://health.mo.gov/bnha> to view the board approved in-seat/live and online programs under Continuing Education for License Renewal.
- NAB/NCERS approved CE programs are available at the following website - <https://nab.learningbuilder.com/public/activitysearch>.

Please do not hesitate to contact MBNHA via email at BNHA@health.mo.gov or via phone at (573) 751-3511.
