Alison,

This email is to acknowledge the receipt of the forfeiture notices. It is our intent to forfeit the CON's in question at this point. We truly appreciate working with you and your staff over the course of the many years we have been involved in this industry. Everyone in your office has been wonderful to work with over the course of years. I just wanted you to know how much we have enjoyed working with you and the staff there.

Wishing you the very best,

John Foster

John,

We sent a notice to you in March regarding your expiring extensions in May of 2025. Attached are forfeiture notices due to capital expenditure and now progress reporting requirements outlined in Statute. Please acknowledge receipt of this email once received and provide both by 5/25/25, or the projects will be placed on the July CON meeting for forfeiture. Please let us know if you have any questions.
