

07/24/2024

The Baptist Home DBA Baptist Homes & Healthcare Ministries is asking to withdraw our CON for two skilled-nursing buildings (“cottages”) for our Ozark campus. The CON is 6006 NS.

The request for withdrawal is due to significant delays in the opening, re-opening, or funding approval (CMS and/or Medicaid) at multiple campuses which has depleted a substantial portion of our reserves. At this time, our intention is to focus on the completion of the project at Ashland (#6018 DS) and opening it this fall and increasing our census at other recently renovated/remodeled facilities.

As those facilities open (Ashland) and grow (Adrian, Arcadia Valley, etc.), the intent is to apply for a new CON for Ozark. Without having a specific timeframe in mind, it is best to withdraw our request rather than seek multiple extensions through the hearings.

Thank you for your consideration.

A handwritten signature in black ink that reads 'S. Andrew Braams'.
