Hi Shari,

I apologize for the delay.

Unfortunately, we are not going to be able to move forward at this time with the purchase of the DaVinci Robot.

Thanks,

**Subject:** EXTERNAL: PPR Past Due  
**Importance:** High

Our records show that the Periodic Progress Report is **past due** for the following project:

Meeting Comments/Agenda	PPR Due	Facility Number	Proj Type	Title_Project	Orig_Proj_Description	Complete Pct
Reporting Period Due 1/29/25 to 7/29/25	07/29/2025	6083	HS	St. Mary's Surgical Center	Acquire robotic surgery unit	0.00%

Your project is not compliant with Missouri statutes, and the PPR must be submitted immediately.

Projects are **subject to forfeiture for failure to file the required PPRs** (§197.315[8] RSMo). The PPR requirements were detailed in the cover letter which transmitted your Certificate of Need (CON) or Non-Applicability CON letter.

If a capital expenditure has not been incurred on the project, then you should request a six-month extension. If the project is complete, include documentation of all costs incurred with the PPR.

Thank you,

**Shari Fulkerson**
